NEW! Family Polio Policy

3 YEARS' INSURANCE Pays \$5000

Costs Only \$10 for Average Family

Polio is one of the most expensive of all diseases in costs of treatment. Unlike many illnesses, initial costs are but a small part of the total expenses. Recovery is a long drawn-out process. Sister Kenny treatments or similar muscle building processes usually take many months, or even years.

Here is a policy that will pay up to \$5000 total to assure you of the best available treatment for each member of your family afflicted by this dread disease.

Policy term runs for three years, not just

one or two years. In addition, if polio strikes, benefits are payable from the first day up to three years to give you ample time for treatment and recovery. Thus you could receive benefits well beyond the end of the policy term.

HOW TO GET THIS POLICY:

Fill in and mail the application blank below today! Or, bring it in to us right away! IF ACCEPTED, POLICY WILL BE IN FORCE TWO DAYS AFTER THE DATE SHOWN ON YOUR POST-MARK! No other forms required; no waiting period.

Pays up
to \$5000 total
for each case,
including—

1. HOSPITAL CARE

Room and board—miscellaneous supplies including drugs, medicines, physiotherapy, rental of necessary braces, crutches or wheelchair.

2. IRON LUNG

Rental of iron lung or other similar mechanical equipment.

3. MEDICAL CARE

The services of legally qualified physicians, surgeons, osteopaths or physiotherapists.

4. NURSING CARE

The services of licensed or graduate nurses.

5. TRANSPORTATION

Regular scheduled air or rail transportation from the place where the member is stricken to a hospital or sanitarium qualified to provide polio treatment.

6. AMBULANCE SERVICE

Local ambulance service to and from the hospital.

The Family Polio policy covers unmarried children, with the same legal address, up to 25 years of age. Children born during policy term automatically covered without affecting current premium.

Here's What the Family Polio Policy Costs:

Husband and/or wife and one or two children . . . \$10.00
Husband and/or wife and three children . . . 15.00
