**IMPERIAL... is the word for it!**

"Imperial," says Webster, means "superior excellence." IMPERIAL, says Chrysler, is this luxurious new car that excels anything on wheels in the sheer exquisiteness of its styling. Come look inside this reigning beauty... look at the lavish wool broadcloth fabrics, tastefully combined with topgrain leathers. Look at the lovely color harmonies, the soft sheen of the butler-finished chrome. Consider the advantages of Fluid Drive... exclusive new automatic transmission... Waterproof Ignition... Full Flow Oil Filter... High Compression Spitfire Engine... electric window lifts... the CLEARBAC rear window for exceptional driver vision... and dozens more. Surely, of all the world's fine automobiles, only the Chrysler CROWN IMPERIAL, this car's running mate, achieves the same aristocratic distinction. Come see the flawless workmanship, the fine materials, the superb Chrysler engineering... and you'll agree that no other car, at any price, compares with the Chrysler IMPERIAL. Inside or out, there is no finer car in America!

ONLY THE CHRYSLER IMPERIAL offers you this absolutely unique system of window control! Each window has its own separate electric motor... each one can be raised and lowered independently from the driver's seat or at the window itself. And that's not all! So many other de luxe features... the kind you think of as being in the "special order, extra cost" category... are STANDARD EQUIPMENT on the Chrysler

Imperial. For example: armrests on all four doors... foam rubber seat cushions and seat backs... double-width center armrests in front as well as rear seats... stainless steel wheel covers... white sidewall low-pressure tires... carpeted luggage compartment! Full flow oil filter and many other engine features! Yes, you get all these extras as standard equipment with your beautiful new Chrysler Imperial.

New beautiful Chrysler Imperial... one of 21 lovely Chrysler body styles!

Inside and out... it has no equal at any price...
