

## Moro Personals

A minor accident occurred at the intersection of First and Main streets Saturday afternoon when a car driven by Lawrence H. Baum of Patterson, New Jersey, and a truck driven by Con Davis collided with sufficient damage to the car to keep Mr. and Mrs. Baum in Moro until Tuesday. No one was hurt.

Ernest Woods is in a hospital at Lima, Ohio, recovering from an emergency operation caused by a punctured duodenum. Ernie had to have his stomach stitched up while at Lima to take delivery on a bus for the school district. Lloyd Henrichs drove one bus home and a man was hired to drive the other. Mrs. Woods stayed with her husband and they do not expect to get home for another week or more, although doing very well at recovery.

Bill Platt has bought the Emma Sayrs house and has moved in.

William H. Thompson of Washington, D. C. and his sister Madeline Marshall of San Francisco were here Sunday visiting Lloyd Johnson. The Thompsons formerly lived at Kent when William was a small boy.

The Moro library will not be open this Friday, September 15. Those having books out should bring them in by Friday September 22 as they must be returned to the state library by then.

Jim Brown had a finger almost cut off Tuesday while watching a man unload some pop bottles. One broke and the pieces hit Jim's finger. The same one he ruined with a boulder a year ago, too.

Mr. and Mrs. Virgil Archer and children got home Tuesday evening from a vacation trip to South Dakota to visit relatives.

Mrs. Mary Eva returned home Saturday from a trip to Germany. She found conditions very good in Germany where she visited an uncle and cousins. Food is plentiful and clothing and housing is passable although not so good as here. Mrs. Eva's relatives live at Bremen on the west coast of Germany. A good many of the towns still show damage from the bombing raids although new brick is being made from the old for new construction. The trip over and back was fine but Mary likes Sherman county better than New York.

Mr. and Mrs. Giles French drove to Astoria Friday morning where he spoke to the assessor's convention on a tax proposal.

Art Bucholtz and Kenneth Fridley, fair board members, were in The Dalles to talk to the Lions club at noon Tuesday, later making a tape recording for broadcasting over KODL Wednesday morning at 9:45.

Born: To Mr. and Mrs. David McLeod, a son, Sept. 14.

Tom Monroe was in Portland Monday on business.

Mr. and Mrs. James Lamb were here last week end from Montesano, Wn., where they have recently moved.

The Moro Community church will go back to standard time next Sunday after holding meetings on fast time during the summer. Sunday school will be at 10:00 a. m. and church at 11:00 a. m. Sunday September 17.

Fred Hennagin was up from Portland Wednesday and expects to stay for the fair. Blaine Damon was also up to see about business affairs.

Mr. and Mrs. J. C. Huntley are here to visit their daughter, Mrs. Collis Moore and perhaps to see the fair.

Mrs. Mary Rehr is working at the hotel during the fair time rush.

Mr. and Mrs. Lawrence Kirby returned Sunday from a vacation trip that took them to California.

The sheet iron parts of the tube to be placed across First street have arrived and have been hauled up from The Dalles by Platt truck. Work of digging the new ditch and placing the tube will begin right after the fair if arrangements can be made at that time.

Gordon Kunkle, former coach at Moro high, was a week end visitor in Moro from Dallas where he is teaching and coaching.

Mr. and Mrs. Dewey Thompson returned from Salem last week end after spending a couple of days at the state fair.

The W. E. Hall family is now living in Corvallis and Mr. and Mrs. Jimmy Johnson are occupying their house. Bill Hall is still

at the station and will be for another week. He will continue with his work here while studying for his degree at OSC.

Born: To Mr. and Mrs. Robert Brisbane Monday, September 11, an eight pound daughter in The Dalles.

Tex Irzyk and family were visiting at Fossil last Sunday, giving Miss Georgia Schmidt an opportunity to visit her parents there. She is attending school here and staying with the Irzyks. Lloyd Johnson is helping with the work at Beefs during fair week.
