IT MAKES SENSE TO ADJUST THE BASIC SCHOOL FUND

The increase will accomplish 3 things:

- 1 It will equalize support by placing a part of the increased school load expense at state level, instead of ALL at district property tax level.
- 2 It will distribute school expenses to ALL the people, not just to property owners.
- 3 It will distribute money in proportion to attendance so that every Oregon child has an even chance.

Oregon's children need your help!

## Song of the Modern Housewife

The best helper that I've got  
Is little Reddy Kilowatt!  
The more he works for me each day  
The less per hour he gets in pay.  
Now household items, one by one  
All cost more than in '41—  
Except my helpful, handy, steady,  
Ever-present servant, Reddy!

## GENERAL ELECTRIC

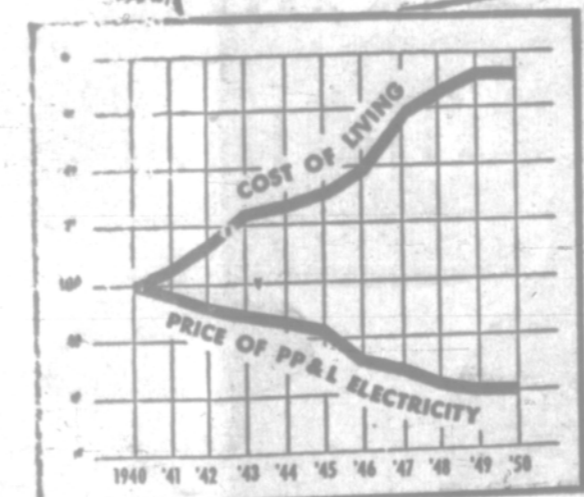

### AUTOMATIC HEATING EQUIPMENT

How do you like our new shingle?

We're your new headquarters for General Electric Automatic Heating Equipment. Our new appointment is a big event for you. It means that General Electric Heating Equipment is available—right now—right here in your own community. It means that you now have our organization at hand to install G-E equipment—and keep it serviced. We welcome the chance of telling you personally just why G-E heating is "just right." There are a lot of things you will want to know about cost, installation, how the equipment works, and why it works better. A phone call or a post card will bring you the answers.

THE COST OF LIVING is up 68% since 1940. But PP&L's average price for household electricity is down 40%!

RATE CUTS SINCE 1940 have meant total net savings of nearly 18 million dollars to users of PP&L's electricity!

TODAY'S BIGGEST BARGAIN! Residential electric rates here are less than half of the national average!
