**READ THE ADVERTISING PROHIBITION BILL CAREFULLY BEFORE YOU VOTE!**

This measure implies a restriction on the advertising of alcoholic beverages only! Because this measure would conflict with federal laws, it would mean total prohibition. The effect, therefore, would be complete prohibition of all advertised brands of alcoholic beverages in Oregon!

**Why is the BASIC SCHOOL FUND INCREASE Necessary?**

Rising costs and devalued dollars upset the support plan you, the Oregon voters, approved in 1946. At that time it was intended that school support be 50% state, 50% local. At present it is 31% state, 69% local. This measure will simply help balance school support as it was intended.
