BRING OUR STATE UP-TO-DATE!
VOTE BALANCED PLAN 314 X YES!

Where would Oregon and the less populous Western states be today had not the U.S. Constitution wisely provided a national BALANCED PLAN, giving each state two senators and apportioning the House by population? The Oregon Balanced Plan follows the same time-tested American principle.

TAKE APPOINTMENT OUT OF POLITICS

Don't be misled by special interests who hope to control the legislature for their own selfish ends. The Balanced Plan is endorsed by... Oregon Journal, Oregon Voter, Oregon Farm Bureau Federation, Young Republicans, League of Oregon Counties, Postons Grange, Oregon Wheat Growers, and forward-looking members of both major political parties.

Vernon Bull

EXPERIENCED LEGISLATOR

VERNON BULL is a member of a pioneer family, prominent throughout Eastern Oregon for many years.

He was reared on a farm and with Mrs. Bull homesteaded their own 518 acre ranch in Union County. He is now a railroad man by profession.

For 14 YEARS VERNON BULL has represented his own county in the Oregon legislature. After having been elected six times by his neighbors in Union County, he was promoted in 1948 to the State Senate by the voters of Union and Wallowa counties by a large majority over the strong Republican incumbent.

The farmers and townfolks of his home communities, where he is known best, have learned that VERNON BULL delivers for his people.

VERNON BULL is an even-tempered, unpretentious man. His dogged determination and deep conviction have made him a successful fighter for the right.

VERNON BULL 'wears well.' His repeated re-election by the people who know him best is the finest recommendation he has to be elected to Congress.

DO YOU WANT THIS IN OREGON?

DON'T BE TRICKED INTO PROHIBITION

The initiative measure on your November 7th ballot to outlaw the "sale of promotively advertised alcoholic beverages" is one of the most deceptive measures ever placed before Oregon's voting public. This measure cannot stop advertising of alcoholic beverages originating outside of Oregon...but it will bring back Prohibition...Prohibition and all its evils—bootleggers, racketeers, phoney brands and bribed officials. No thinking citizen wants these things in Oregon.
