BOTH 86 PROOF - NATIONAL DISTILLERS PRODUCTS CORPORATION, NEW YORK

December 25, 1950

Christmas is a time when people express their feelings of goodwill toward each other. A corporation has feelings, too. Because it is people—just people.

In the oil business, it takes a lot of people working together as a team, to do all the jobs necessary to find oil, refine it into useful products, and deliver it where it's needed.

This Christmas season, for example, will find men and women of Standard Oil Company of California working in many different places... all over

the world. They'll be exploring for oil in wilderness areas... riding tankers in rolling seas... keeping watch on desert pipelines. You'll find them, also, working in refineries, in offices, in our research laboratories.

And all through the year, the people of Standard everywhere work at the big job of helping provide you and our nation with the oil we must have to remain strong. It's the best way all of us know of saying "Merry Christmas" 365 days a year.

Come in and see the  
New Silver Anniversary  
**Pontiac**

**Double Proof**

that Dollar for Dollar you can't beat a Pontiac!

① A look at the Car proves its Quality

② A look at the Price proves its Value!

In the short time since it was presented, thousands of people have flocked to see the great new Silver Anniversary Pontiac—few cars have ever had a reception to equal this. Most people came to admire, which is natural enough. But a great many people do more than admire, they start figuring—they begin to compare this wonderfully beautiful and desirable car with the modest price tag it bears. No car, at any price, offers more for every new car dollar you invest than a great new Pontiac! Drop in any time and look at the car—then look at the price—you'll be doubly sure that dollar for dollar, you can't beat a Pontiac!
