CHRYSLER TO SET PACE IN INDIANAPOLIS '500'

This is the car that will set the pace on Memorial Day for the fastest fleet of racing cars ever assembled. The Chrysler New Yorker Convertible, equipped with the new 180-hp V-8 "FirePower Engine" — most powerful power plant of any passenger car — has drawn the coveted honor, and here is shown on the famous

Speedway at Indianapolis where the 500-mile race will be run. At the wheel is D. A. Wallace, president of the Chrysler Division of the Chrysler Corporation, who will guide the 33 racing cars around the 2 1/4-mile brick and asphalt track. At his side is Wilbur Shaw, president and general manager of the Speedway and three-

time winner of the "500," and seated in the rear seat is Tommy Milton, chief steward of the track, who was a famed racing driver of the Twenties, when he brought home two winners at Indianapolis. This is the fourth time in twenty-five years that a Chrysler has been selected as the Pace Car, motor thoroughbred of the year.

Rufus News

(By Mrs. George L. Fox)

A regular March wind began blowing here Saturday afternoon and continued over the weekend. Before that time, the week was really nice, with all the farmers very busy at spring work. The ones who have land to seed this spring are getting at that first.

The fruit men at Rufus have been very busy for the past month pruning their apricot trees. During the weekend the apricot trees looked real nice with their pretty white blossoms.

Rufus people are glad that traffic is again open on the Columbia river highway. When cars were routed over the detour to Wasco on account of the slide, it made a 15 to 20 mile farther trip.

The pupils of Rufus school enjoyed a vacation Thursday and Friday of last week when all the teachers attended the convention in Portland. The theme of this year's convention was "Education at Mid-Century." The teachers and pupils were again in the class rooms Monday morning.

Mr. and Mrs. Curtis Stark of Astoria came Saturday and spent the weekend visiting relatives. Mr. and Mrs. Don Kelper went to Portland Saturday to a teachers' meeting.

Miss Ethel Hansen left Thursday to spend the Easter vacation with friends.

Mrs. Fred Crowley left Wednesday evening by bus for Albie to spend the Easter vacation with her sons Fred and Leonard Crowley.

Mr. and Mrs. Marion Crews of Stevenson, Wn., spent the Easter weekend with her parents Mr. and Mrs. Dell Olds.

with renewed vigor to complete the school year.

An Easter egg hunt was enjoyed on the grounds of the Nazarene church Saturday afternoon. A number of small children attended and were delighted to find an occasional candy egg besides the regular "Easter eggs."

Easter services at Rufus church were conducted by the pastor, Rev. Adrian Roberts. The different classes of Sunday School each put on a program.

Miss Mary Brackett, daughter of Mr. and Mrs. Herman Brackett, arrived home Wednesday to spend Easter vacation. She is a teacher at Banks.

Mr. and Mrs. Will Huck and Mr. and Mrs. Fred Harrison visited at the home of Mr. and Mrs. James Fox Saturday afternoon.

Mrs. Leo Dummer and sons Wally and Denny left Sunday via train from The Dalles for their home in Salem. They had spent the Easter vacation visiting relatives here.

Mrs. Mason from Spokane is visiting at the home of her son-in-law and daughter Mr. and Mrs. Andy Engberg. Engberg was sick with flu over the weekend.

Miss Eleanor Fox arrived home Wednesday for spring vacation from Oregon State College. On March 18, Miss Fox was a bridesmaid for a college classmate, Miss Patricia Guerin's wedding, held at Myrtle Point. Before coming home she was an overnight guest of an uncle and aunt, Mr. and Mrs. Melvin Stinson at Coos Bay. She left for Corvallis Monday where she is a senior in secretarial science and will graduate in June.

Mr. and Mrs. Sam Brock had a dinner Easter Sunday for Mr. and Mrs. Virgil Brock and family of Wasco.

Mr. and Mrs. Atlee Wilson and granddaughter Jerry Lou Wilson accompanied by their daughter, Mrs. Buck Miller and daughters of Arlington, spent last week visiting relatives in Portland. They returned to Rufus Friday.

Mr. and Mrs. Harland McDonald and son Bill spent the weekend in Portland visiting relatives before Bill has to return to the service.

Mr. and Mrs. Walt Morris, Mr. and Mrs. Joe Morris and sons, Mr. and Mrs. Ray Brown, Mr. and Mrs. Robert Morris and family motored to Arlington Sunday

to have Easter dinner with Mr. and Mrs. Frank Adams. The family also attended the christening services of the youngest Adams' daughter.

Miss Dolores Fox and her brother George Fox Jr. spent Wednesday shopping in Portland.

Mrs. Alta Smith announces the engagement of her daughter Darlene Janice to Richard E. Peck. The wedding date is set for Sunday, Apr. 15, at the First Congregational church in The Dalles. Miss Smith and Mr. Peck are both graduates of Rufus high school, class of 1950.

The series of card parties which the Rufus grange has sponsored, ended Saturday night. The last party was held at the home of Mr. and Mrs. Tracy Fields in their basement recreation room on account of work being done on the grange floor.

Six tables of cards were in play with the high score pinochle prizes going to Clarence Riggley and Mrs. Elizabeth Kuypers; low to Tracy Fields and Mrs. Sam Brock. Canasta high prizes went to Sam Brock and Mrs. Walt Morris. Consolation prizes went to Walter Morris and Mrs. Andy Engberg. At this time the grand prize for the series of parties was awarded. Mr. and Mrs. Atlee Wilson each won a grand prize, for men and women, in pinochle. In canasta the grand prizes were received by Sam Brock and Mrs. Andy Engberg.

Guests from Harlandview grange at the card party were Mr. and Mrs. Clarence Higley and Mr. and Mrs. Vernon Dutton.

How to make good telephone service even better...

A tip you can give a talkative 'teen ager

Wonder how many people have been trying to call this telephone since Ann began doing her algebra lesson with a friend who lives just down the block. And, you know, incoming calls are often more important than the ones you make. This is just a suggestion, of course, but if you have a problem like this around your house, you might point out to your particular Ann that if she spaces her calls... and talks only as long as really necessary... she won't run the risk of missing a date because the boy who was trying to call could get nothing but a busy signal.

to speed service

on Long Distance calls, give the operator the information like this: First, the name of the town you're calling. Then the telephone number. (It's a good idea to keep a list of the out-of-town numbers you call.) Next, if it's a person call, give her the name of the one you want to reach. It will help her complete your call quicker.
