the first of the week to seek medical aid for his former digestive troubles.

Mr. and Mrs. W. Ernest Buell of Roseburg stopped by the home of their daughter and son in law, Mr. and Mrs. Paul Alley for a couple of nights on their way to Canada on a fishing trip. Douglas Alley will leave The Dalles late Wednesday by plane to catch his grandparents in Bellingham and continue on with them. They expect to be gone a couple of weeks, returning in time for the 25th re-union of the Moro High school class of '26 get-together at Bear Springs the 17th of June.

Mr. and Mrs. Jack Cothran came home with their daughters Mrs. Orville Hockman and Mrs. Harold Whitle, who had gone to California on account of the death of their niece, a daughter of Mr. and Mrs. Ray Edwards, nee Grace Cothran. Jack has not been able to work recently because of an accident but says he feels well.

Paul Goddard will teach at Condon next year having been hired as grade school superintendent of the Gilliam county capital schools. He has taught at Moro, Grass Valley, Lakeview, Corbett, and is now at Holbrook

school near Portland.

Mrs. Ross Ornduff is home for a couple of weeks recuperation after being in the hospital for observation for some time.

Mr. and Mrs. Francis Keyes and family left Thursday for Newberg where he will work during the summer.

Nearly everyone with club children and many with no interest other than stock and people were in The Dalles the first of the week to see a part or all of the stock show and sale being put on there by the Wheat League and The Dalles.

Word was received here Saturday of the death of Bert Thompson, 82, who had lived at Pasadena for many years. He had three girls and five boys of his immediate family. Mrs. Charles Bullard is the only remaining Thompson of the old family since the passing of Bert.

Mr. and Mrs. G. Douma were a Timberline Sunday and were spectators when the injured woman was brought down the mountain on a stretcher after a fall from Crater Rock trail.

Bobby Newbill and his father of Madras were here Memorial day to visit with Mrs. Clarence Huls and Clarence for a day. Both formerly lived here.

Fred Joy is taking his vacation from work in a garage and with his family took off for the Rogue river where he says he is going to get in his years fishing. He will visit his parents at Trail.

The Missionary society will meet next time with Mrs. Russell Belshee at her country home. The date will be June 13 and

FirePower
ACCEPT NO SUBSTITUTES

... because there aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower > *Finest engine ever put in an automobile*
