FEEL ITS NEW EASE!... With sensational new Hydraguide power steering four-fifths of the work is done for you at your touch on the wheel! The littlest lady can park the biggest Chrysler with two fingers... drive all day with freedom from arm fatigue!

ENJOY ITS NEW CONTROL!... You can't imagine the feel of complete command this new kind of steering gives you. In city traffic... on awkward driveways... in snug garage doorways... you never felt steering control like it.

DRIVE WITH THIS NEW SAFETY! It not only makes steering four-fifths easier... but many times safer, too. Takes out the strain driving in ruts, sand, snow or cross-country. Even off the road onto a soft shoulder, Hydraguide helps keep your car steady with almost no effort!

Not in the "lab" but ready to drive now!
Chrysler's New Hydraguide Power Steering!

This year, for the first time on any American passenger car, Chrysler presents the new principle of Hydraguide hydraulic power steering. It's not "in the future"... it's out on the road NOW! It is being called the most important automotive achievement since the development of the self starter. People who try it—even after hearing about it from friends—are completely surprised and delighted at the totally new ease and control Hydraguide gives them at the wheel. It is regular equipment on Crown Imperials, optional at extra cost on other Imperial and New Yorker models. Your Chrysler dealer invites you to try it for yourself.
