Moro Personals

Dean Fuller is home from Europe after more than three years in the uniform of the U. S Army. He was discharged early in September and came home the latter part of that month to spend his time on the farm and away from battle scarred Europe.

The old time blacksmith shop displayed at the Sherman county fair by the Harlandview juvenile grange became the Sherman county booth at the Pacific International through efforts of that grange and the consent of the county court.

Mr. and Mrs. John E. DeMoss were hosts Saturday night at a party in honor of the 35th wedding anniversary of his parents, Mr. and Mrs John M. DeMoss. Friends came in to fill four tables of canasta players, the play of which resulted in Truman Strong having high and Mrs. Strong low. Guests were Mr. and Mrs. Roy Belshee, Mr. and Mrs. Lloyd Fuller of Carson, Wash., Mr. and Mrs. Ralph Busse, Mr. and Mrs. Alonzo Alberty, Mr. and Mrs. George DeMoss and the two DeMoss families. John Sr. and wife are leaving soon for Phoenix, Arizona, to spend the winter.

The date on which the blood bank team will be in Moro is November 2 and in preparation for that event Walden Sampson of Portland will be here all day Thursday, October 18, to meet with Red Cross officers and chairmen. He will speak to the Wasco P-TA that night and probably at Grass Valley in the afternoon of that day.

The American Legion auxiliary will meet October 17 at the home of the president, Mrs. Mol- lie McLachlan. All members are requested to attend as there is some interesting work to be done.

Many families went to the stock show the first of the week utilizing the school holiday for that purpose. Some made the trip in one day thus seeing the stock, the commercial displays and the county exhibits with little time lost.

Model L-160, 154-inch wheelbase, 12-ft. stake body, 14,000 pounds GVW, featuring: Comfo-Vision Cab, "roomiest on the road," Silver Diamond 240 engine; 4-speed transmission. Specifications subject to change without notice.

To keep your general purpose hauling costs in line in the months ahead, you need low-cost, dependable, minimum-maintenance, long-life mileage. YOU NEED INTERNATIONAL TRUCK MILEAGE.

Internationals give you balanced durability and economy

Every International Truck has the traditional heavy-duty engineered toughness that has kept Internationals first in heavy-duty truck sales for 19 straight years.

That means you get lower operating and maintenance costs, longer truck life.

In addition, you get all-truck power. Internationals' new Silver Diamond valve-in-head engine incorporates the latest developments to give you greater power, pep and economy.

Step into the Comfo-Vision Cab, yourself!

Come in and look over Internationals' new COMFO-VISION CAB—"the roomiest cab on the road." Here's full front visibility . . . here's more positive steering control from a more comfortable driving position.

See these advantages yourself. Come in, soon.

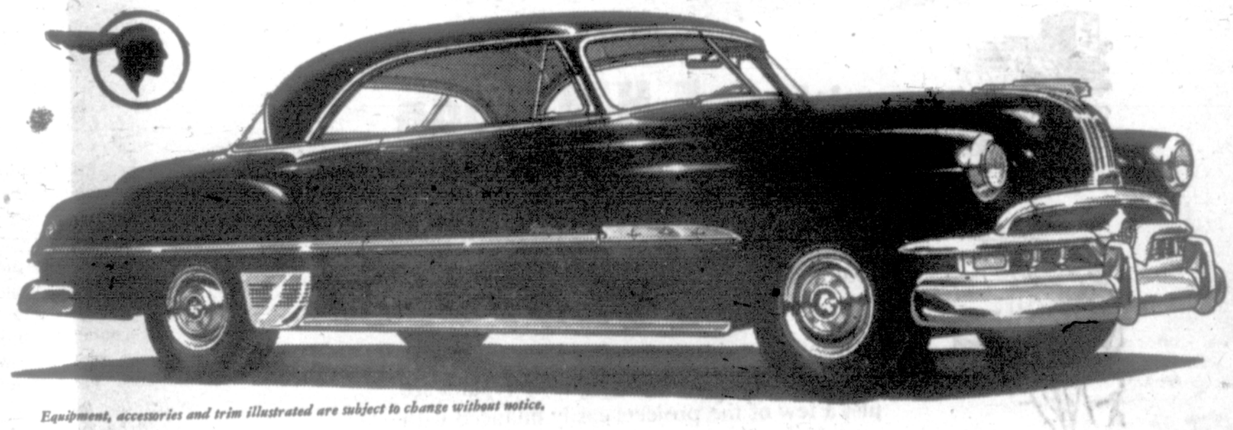
What a Wonderful Story the Price Tag Tells!



Equipment, accessories and trim illustrated are subject to change without notice.

WE'D like you to come in and hear a wonderful story.

First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a car with a reputation for delivering years and years and years of driving pleasure.

But there's another important part of this story you should hear: *It's the wonderful story of Pontiac's price!*

For this great car, desirable as it is, is one of the lowest priced automobiles in America—just one step above the very lowest.

Come in, get our deal—a wonderful story all the way around!
