Wilson-Melzer Rites Observed Sunday

The wedding of Miss Priscilla Melzer, daughter of Mrs. Edna Melzer and the late Martin Melzer, to Donald L. Wilson, son of Mr. and Mrs. Jeff Wilson of The Dalles, was observed Sunday, December 23, before a crowd of friends and relatives that filled the First Congregational church in The Dalles. Rev. W. W. Gearhart of the Moro Community church conducted the ceremony.

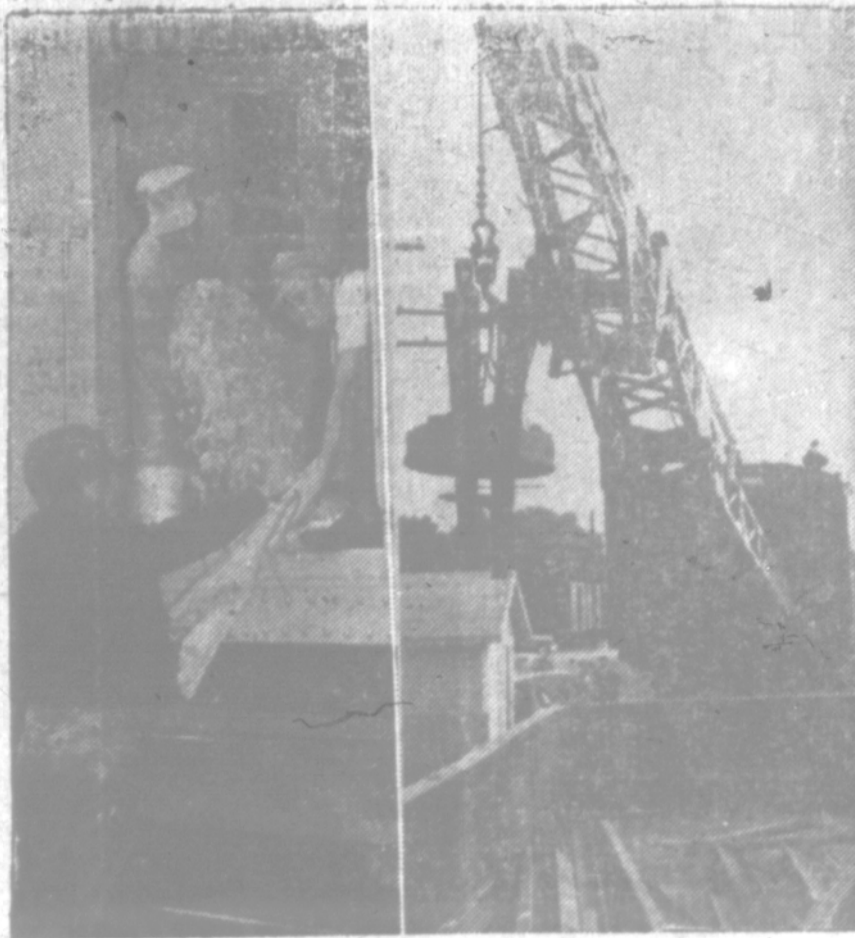

The bride, wearing the white satin wedding dress with train, lace and seed pearl trimming, sweetheart neckline, that her two sisters had worn before, was conducted to the altar and given away by her uncle, Walter Melzer of Sherwood. Matron of honor was Mrs. D. Harold Murphy of Portland, a sister of the bride, wore pink satin and carried American Beauty carnations. Bridesmaids also carried carnations and were Miss Patricia Kaseberg of Wasco and Mrs. Edmund Cushing of Sedro-Wooley, Washington.

The groom was accompanied by Alvin L. Vandoren of Scottsburg, Oregon, who was best man. Ushers were Vern Henkle, Philip Pashek, Thomas Brumbaugh and John Peterson, all of The Dalles.

Miss Sharon Martin of Kent was the candle lighter and was dressed in pale green satin. Little, two-year old, Delores Belshee, a cousin of the groom, in long pink frock, carried a basket of flowers as flower girl.

Mrs. Max Barzee was organist for the wedding marches and accompanied William Lawrence, The Dalles, who sang "I Love Thee" before the ceremony and "The Lord's Prayer" after it.

Following the wedding a reception was held in the Tenny room of the church where friends of the families gathered for conversation while congratulating the new couple. The wedding united two old Sherman county families, the Belshees

When a Union Pacific supply train stops for a few brief minutes at one of the numerous communities it serves in the west, there is a sudden squall of activity from locomotive to caboose. Any or all of 700 items are thrust through the doors of supply cars into the hands of waiting railroaders, as in the picture at the left, above. Meanwhile, the flat car-mounted crane quickly picks up and dumps into coal cars ore and replaced rail, as in the picture at the right, above, and scrap metal.

motifs. Mrs. Hockman presided and directed the program which consisted of singing carols and an interesting talk by Betty Henrichs on some of her unusual Christmases. Mrs. Francis Keyes sang, "O, Holy Night."

You won't miss important calls if you're a good telephone neighbor

Your party-line neighbors will consider you a real friend if you remember that often, they, or someone in your family may be expecting an important incoming telephone call. These other simple points will also help to insure better service: When you have a series of calls to make, allow a few minutes between them • Replace the receiver properly after calling • Always make sure the line is clear before you make your calls.

faster long distance service can be yours, if you give the operator the out-of-town number you're calling—rather than just the name and address. That way, you see, you won't have to wait while she finds out the number from "Information" in the distant town you're calling.
