Moro Personals

Albert Pleunke and his sister, Mrs. Pete Smith, stopped in Moro to visit at the Lloyd Johnson home while on their way to The Dalles last week to attend the funeral of George Witter, well known well driller of Kent, who died at the home of Mr. and Mrs. Max Pleunke in Portland. Mrs. Emma Pleunke was a visitor at the A. A. Dunlap home in Grass Valley after the funeral.

Darwin Van Gilder entered a hospital in The Dalles Monday with what may be a case of arthritis.

Mrs. Evelyn Chamness underwent an operation at the Redmond hospital last Friday and is getting along fairly well according to her mother, Mrs. Mollie McLachlan, who was with her daughter for a day or two.

Mrs. Lottie Lee is here from Portland hanging the drapes in the new McKean home, south of town.

Mrs. Mary Eva and Mrs. Anna Moore returned to Moro after a three week trip to Hawaii on one of the Oregon Journal tours.

Mrs. Loy Cochran and son Gordon and a friend were here Sunday forking on the Ruggles house where Mr. and Mrs. Loy Cochran will live. Mrs. Cochran and the boys returned to Portland but Mrs. Cochran will return soon. Loy has employment with J. N. Landry.

Mr. and Mrs. George Mitchell, Mr. and Mrs. Allan Pinkerton, Mr. and Mrs. Collis Moore, Mr. and Mrs. James Johnson and sons, and Mr. and Mrs. Giles French were guests of Mr. and Mrs. Rafael Raymond at Helix Saturday evening and attended the annual "Country Capers" there, a fun making and money raising event for the benefit of the community swimming pool.

Mrs. A. S. Johnson went to Portland this week to visit a few days with her daughter Imogene, now working in the state office building, before going on to Salem for a visit with other relatives.

Mr. and Mrs. Wooderson (Katie Geiser) were here Tuesday while on their way to Yakima, Wash.

Mrs. Thomas W. Thompson and children spent last week at Helix visiting her parents, Mr. and Mrs. Lloyd McRae. Mr. Thompson went over for the week end bringing his family home with him Sunday.

Archie McCrae, who has been an instructor at the Moro high school for three years, has accepted a position as principal at Lorane in Lane county for next winter.

Mrs. Ross Ornduff came up from The Dalles Tuesday with her daughter, Mrs. Paul Cyphers to remain for a weeks visit.

Mr. and Mrs. Cleo Barnum and sons Eddie and Johnny, of Bend, were overnight guests of his parents, Mr. and Mrs. E. E. Barnum Wednesday. They were returning home from a business and pleasure trip to Portland.

Mrs. Francis Keyes was hostess at a party in recognition of her birthday and that of Mrs. Virgil Archer. Eight couples came in to play bridge during the evening.

Family Night At Church Planned

There will be a Family Night dinner and program at the Moro Community church next Friday March 21. At 6:00 p. m. there will be a pot-luck dinner to which people are urged to bring their own dishes as well as food. Following the dinner arrangements have been made to show "Hidden Treasures", a natural color sound film, which shows some of the marvels of the microscopic world and was produced by the Moody Institute of Science. Everyone is cordially invited to come.

The third in the series of Laymen's Forums will be held at the Moro Community church Sunday night, March 16, at 8:00 p. m. For the program that night the Women's Missionary society has arranged a showing of the film "Queen Esther". Everyone is cordially invited.

Moro School News

By Roger Miller

"Corn's a Poppin", an all-community variety show to be sponsored by the Moro Booster club, is to be presented Friday evening, March 28, in the school gym. It will be an athletic benefit for the high school, and it will consist of various comedy numbers put on by high school students and people of the community.

There will be no school next Monday, Tuesday, and Wednesday, March 17-19. During this spring vacation the faculty will attend an OEA convention.

A St. Patrick's day apron and overall dance will be held this Saturday evening, March 15, at 9 p. m. in the school gym. It is to be sponsored by the FHA and admission will be 25c per person. Refreshments will be served, and music will be furnished by records.

4-H CLUB MEETS

By Karen Wilson

The girls at Kent who are taking 4-H cooking for their second year are called Busy Baker's. They have been working very hard to complete their record books and make one dish of the remaining recipes. When they have completed this their leader has promised them a prize.

The leader's name is Mrs. Kenneth Sather. Our officers are President - Gertrude Buehler, Vice-President - Nancy Decker,

Song Leader - Helene Sather, Secretary - Marquita Koepke, News Reporter - Karen Wilson. The other members are Kay McKay, Mary Mobley, Deanna Bekkadahl, Shirley Sather, Helene Koepke, Beverly and Judy Hoyer.

Cooking I also meets with us as they do not have enough members to have a club of their own. Ann McKay, Betty Bothwell and Nancy Wilson are in Cooking I.

At our meeting we play games and sing songs. We also try to have a demonstration at each meeting. We take turns demonstrating so by the end of our club year each girl has given a

demonstration. At the close of each meeting two girls serve refreshments.

Many skills of many people go into the big job of providing telephone service in the West today.

FIVE BILLION CONVERSATIONS

This huge number of telephone calls a year is the important responsibility of 73,000 men and women in the West.

Five billion conversations! By day and night, in cities and towns, across valleys and over mountains, the West's telephone lines are busy carrying the calls that in a year total more than twice the population of the earth! Some calls are routine, others may save a life, but each call is vital to capable telephone people everywhere as they work at the wide variety of telephone jobs needed to serve you and the nation well.

Your telephone is one of today's best bargains

For every telephone employee, we have about \$20,000 invested in telephone equipment. Naturally, both must work together to bring you good telephone service. And it's reassuring to know that despite our sharply-increased costs of both wages and materials, we've been able to keep your telephone one of today's best bargains.

This telephone team, for instance, is pinpointing the location of a buried cable which needs repairs. The cable will be fixed quickly... and calls will flow again. Meanwhile, your long distance calls are re-routed to get them through with little or no delay. This is just part of the complex job of maintaining and expanding the West's vast telephone system—a job which now requires the skills of some 27,000 well-trained telephone men and 46,000 alert telephone women here in the West. Round the clock, they're on the job to keep America's telephone system the finest in the world... able to do its full share of the important task of keeping America strong.
