What gives Olympia rare flavor?

Centuries of brewing experience have shown that certain waters have a more solvent quality than others to extract rare and desirable flavors from the hops and grains, and impart them to the beer. Our subterranean water proves how this faultless brewing water produces an outstanding beer.

It'll soon be 21!

We'd like to show you why Internationals have been first in heavy-duty truck sales for 20 straight years.

Only Internationals give you—

- All-truck engines—built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road"—the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling and 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job... 115 basic models, from 1/2-ton to 90,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

It will soon be 21, because truck operators who know hauling costs will continue to prefer Internationals—the trucks that give them lower operating and maintenance costs, longer truck life.

If you're interested in these money-saving advantages, why not come in and see us about an International Truck engineered for your job?
