Rufus News

(By Mrs. George L. Fox)

Mrs. Rolland Johnson spent Friday at the grange hall painting the cupboards and getting ready for the linoleum layers who are to come during the middle of the week.

The community was saddened Saturday to hear of the death of Mr. and Mrs. Richard Smith's six month old daughter, Linda. The Smiths had entered the baby in a local hospital Tuesday when she became ill. The next day she was a little better. Friday, Mr. Smith took some of the boys in the upper grade room which he teaches at Rufus school to Suttle lake for a field trip. When he arrived at Suttle lake there was a call awaiting him that the baby was worse, so they came right home.

Mr. and Mrs. Smith left for Vancouver Saturday night where Mrs. Smith's folks live, and where the baby was buried Monday. This was their only child. Mrs. Smith intends to remain with her folks while he comes back to finish the school year. School will be out May 29 at Rufus.

A good rain fell in the north eastern part of the county Wednesday evening. This was the first good rain since the first of March. The moisture went down about two inches into the earth. Some places the locust trees are in full leaf and have so many blooms on, and on the

adjoining farm the leaves got frosted back, and aren't out yet. Baccalaureate services will be held for the Rufus school graduating class Sunday evening in the Rufus church.

Top hand from a famous family!

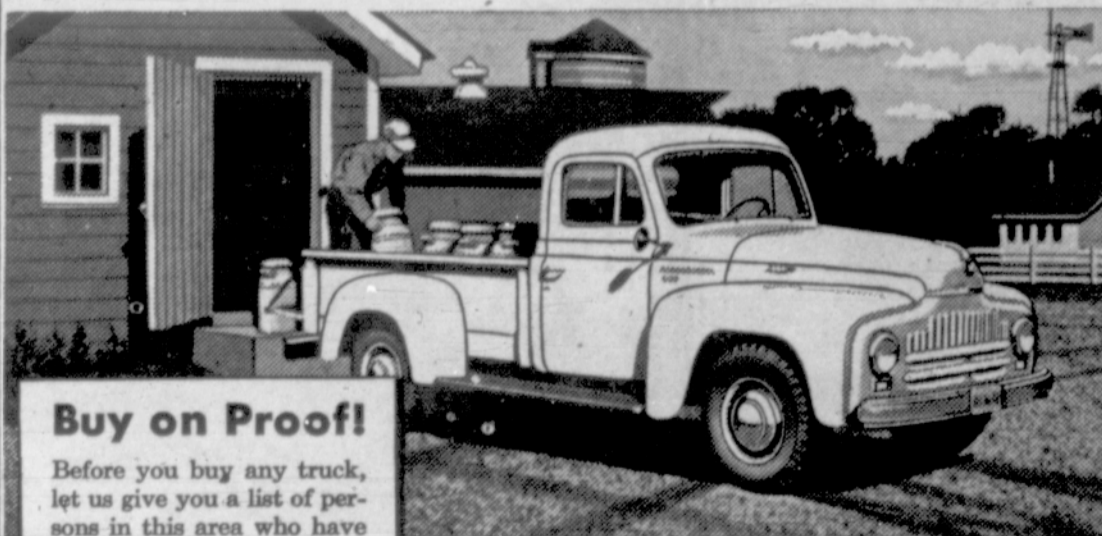

You can comb the county without finding a better "top hand" than an International Truck with pickup body.

One reason is the 45 years of truck manufacturing experience behind it. And true to its century of farm family traditions, International pickups deliver the same outstanding performance and enduring economy.

Invest 30 minutes in finding out why. Do it next time you're in town.

You can't beat these International pickup truck exclusives:

- Silver Diamond valve-in-head engine built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road" — the Comfo-Vision Cab.
- Super-steering system — more positive control, easier handling, 37° turning angle.
- Nine models... 4,200 to 8,600 lbs. GVW ratings. 6½, 8 and 9-ft. bodies. 115, 127, 134-in. wheelbases.
- The traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- Largest exclusive truck service organization.

Buy on Proof!

Before you buy any truck, let us give you a list of persons in this area who have recently bought new Internationals like the one you are considering. Check with any or all of them. Find out how Internationals cut hauling costs on jobs like yours.
