How to develop more power in your diesel engines

To make sure of full power and top efficiency from all of your diesel engines, use Standard Diesel Fuels. Made to exact specifications, they are always uniform so you can depend on even performance at all times. Completely distilled, they burn cleanly without waste. Standard Diesel Fuel is correct for most diesels. Where a higher cetane value is required, use Standard Automotive Diesel Fuel. Tell us the make of your engine and we'll deliver the fuel you need.

HOW TO MAKE UP YOUR MIND WHICH IS THE FINEST CAR AMERICA HAS YET PRODUCED...

You can tell it by its

1. **Greater Drive Power!** Only one engine today delivers the most drive per horsepower to the rear wheels... FirePower V-8. Its more efficient hemispherical combustion is shared only by a few hand-built European sports cars. It powers the new Imperial. You can test it today!

You can tell it by its

2. **Greater Road Control!** Only one kind of car brings you the highway mastery and safety of Full-time Power Steering... plus Power Brakes as standard equipment. These, with double strength shock absorbers, were pioneered by Chrysler. This easier, safer way of driving is yours in Imperial. You can try it today!

You can tell it by its

3. **Greater Intrinsic Luxury!** There's one car whose engineering leadership is so fittingly paralleled by its beauty of line and decor... that those who can afford any motorcar are turning to it as their kind of car. This careful handcrafting is to be found only in Imperial. You can enjoy it today!
