WHAT A PERFORMER! WHAT A BEAUTY! WHAT A BUY!

Unless you've actually driven a Pontiac with Dual-Range Performance, you can't appreciate how nimbly it handles in traffic and how economically it cruises the open road with plenty of power to spare. Add Pontiac's plus-performance its distinctively beautiful styling, its luxurious interior appointments, and you have a car that matches any on the road.

When you can get all this at a price only a few dollars above the lowest, it's obvious that Pontiac is the best buy of all, from any standpoint.

Pacific Telephone

Give your friends time to answer

The people you're calling may not be near the phone when it rings. Especially during these summery days when barbecues and outdoor living are so popular. To give your friends a good chance to get to the telephone, why not let it ring at least a full minute. They'll appreciate your thoughtfulness. And you'll avoid the disappointment of an incomplected call.
