

Moro Personals

Mrs. Elva Bryant was here over the week end visiting the friends she knew when she lived here between 1905 and 1935. Her home is near Shedd although she often spends the winters in Los Angeles with daughter Helen who is an air force official.

Francis Keyes and family came up to Moro for a few days to see friends. He has just been discharged from the air force after being taken back in for duty in Korea.

Gene Maleki was here Monday and reported that Mrs. Collis Moore has been appointed chairman of the polio campaign for this county. She replaces Vernon Platt, resigned.

Among those going to Pullman Saturday to see the Oregon-WSC football game were Mr. and Mrs. Art Bucholtz, Mr. and Mrs. Stan Coelsch, Mr. and Mrs. George Mitchell and Mr. and Mrs. Collis Moore, who brought home some evergreens to make a wind break west of the Moore home.

Mr. and Mrs. Paul Cyphers were in Portland Monday on business and for medical checking.

The old pump house in the flat, in process of being reconstructed into a garage for a new fire engine, is getting an aluminum roof instead of the old shingles.

Mrs. E. E. Barnum left for Portland last Friday and E. E. took off for Bend to visit his son and help dig the potatoes.

Mr. and Mrs. John Parker left early Thursday morning for a two weeks trip into California where they expect to spend a large part of the time visiting their daughter and family in Los Angeles. Mrs. Ivan Kirkelle is selling hardware in their absence.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set. Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

From where I sit... by Joe Marsh

Modern Art Takes a Licking!

Did you know we had a real artist in town? Yes sir! Handy Jackson was a contributor to the Sculpture Exhibition at the Centerville Fair last week.

His work was streaky pink and curved all around—sort of streamlined. Caused quite a stir. Nobody was sure what it was supposed to represent, but some liked it and thought it was good art. Handy gave me the lowdown:

"Why, it was nothing but a piece of cattle salt, our cows have been lickin' at for months. I just had it mounted. Fooled a

lot of folks—one fellow even wanted to buy it!"

From where I sit, Handy's "modern art" just shows how some people can be led astray. Some even get to be "experts"—especially about the other fellow's business. Whether it's art or music, or a simple thing like choosing, say, beer or milk with a snack, we should live and let live. There's no call for either of us to set ourselves up as a "model" for the other!

Now INTERNATIONAL RP-160 Series with LPG power.
(Gasoline power also available.) GVW ratings, 14,000 to 17,000 lbs. 130, 142, 154, 172-inch wheelbases. Single or dual heavy-steel pressure fuel tanks with 4 to 1 safety factor. Automatic safety relief valves on tanks and fuel lines vent vapors high above ground through large capacity stacks. Automatic excess flow valve shuts off fuel supply in case of fuel line breakage.

NOW- LPG POWER

in Great New Medium-Duty INTERNATIONAL Trucks!

It's another first from INTERNATIONAL! The first medium duty trucks with factory-installed LPG fuel systems to receive Underwriters' Laboratories listing.

With these new INTERNATIONAL RP-160 Series trucks, you can count on all these advantages—

• High compression ratio of 8.4 takes full advantage of extra power in high octane LPG fuel.

• Lower maintenance because carbon deposits are practically eliminated. Engine wear and cylinder erosion reduced. Oil less contaminated.

• Longer engine life, fewer oil changes.

• Latest safety features, including new submerged-type safety relief valve in each tank.

Come in today and learn full details. Time payments arranged.
