GET REDDY—
GO ALL ELECTRIC!

Mister, your wife
deserves an automatic
Electric Clothes Dryer

Controlled electric heat takes the moisture out—safely!

Dries—quickly— heavy fabrics or delicate synthetics

Fully automatic— you just set it, then forget it

All electric— costs less to use than any other

Easily installed anywhere — kitchen, utility room, wherever it's most convenient

Of course she does! You don't want her spending washdays in the basement, hanging up wet clothes. So get her one of the things she wants most, something that will save her work and worry, time and trouble. And remember, only an electric dryer has all the important features—low first cost, lowest operating cost, clean, efficient and dependable!

How much does it cost to operate? Why, she can dry a whole month's washing in an electric dryer for about 55¢ here where the cost of electricity is less than half the national average.
