Rufus Grange Gets Second Place

The tri-county visitation granges of Wasco, Sherman and Hood River, was climaxed with a picnic dinner at Rockford grange hall at Hood River July 11, Sunday. Sherman county was the host grange this last year, so Mrs. Rolland Johnson took charge of the meeting which followed.

The tri-county deputies were the judges. Mrs. Johnson pointed out mistakes in failure to gain points which were figured on a percentage basis. The masters not standing at attention when they addressed their members or when they were addressed headed the list.

From the results of the visitation Cherry Park and Chenoweth grange each have a lady degree team, due to the interest the contest brought forth.

Ramsey Park grange in Wasco county took first place in the contest. Their prize was a rug with the grange insignia on it. Rufus grange was a close second with only twenty points difference. Cherry Park was third with Harlandview fourth and Pine Grove fifth. These were for the subordinate granges.

In the Pomona grange Sherman county took first with Rolland Johnson as their master. Wasco county was second and Hood River third.

HAVE you been thinking you can't afford a new Buick? Listen: If you can afford any new car, you can afford a Buick — and a look at the figure on the price tag proves it.

Look again, and you'll see that this is the local delivered price of the new Buick SPECIAL 2-door, 6-passenger Sedan. Compare, and you'll learn that this price is just a few dollars away from those of the so-called "low-price three."

But — dig a little deeper if you want the real clincher. That's when you find that those few dollars more you pay for a Buick buy you a lot more automobile.

They buy a whale of a lot more power — Buick V8 power — plus the new economy of Power-Head combustion.

They buy a lot more luxury and comfort and solidity — more room, more glass area, more frame strength, more tread width, more ride steadiness — including the million dollar "feel" of all-coil springing and torque-tube stability.

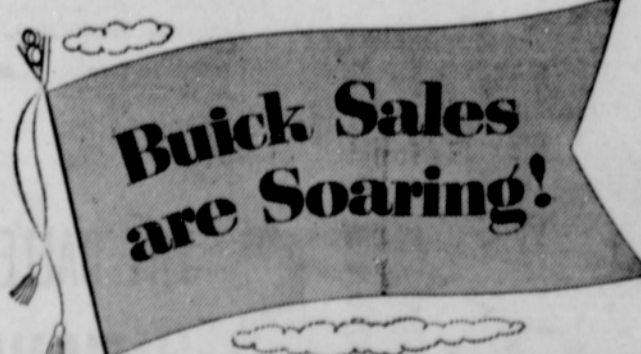

They buy, too, the most advanced styling of the time, and the great panoramic windshield, and the surety that such fresh-
