

**Moro Personals**  
 The largest pledge class of men and women in several years was announced by the University of Oregon chapters of the 21 national social fraternities and 16 national social sororities at the close of fall term rush week. Moro student pledge was Roger Miller, Phi Kappa Sigma. Gene Colton drove to Prineville over Sunday for some flying lessons. He also drove Mrs. Leola Church to Bend and brought Mrs. Hazel Lake down for a days visit here with relatives. She returned Monday by bus to Bend.  
 Mr. and Mrs. Darwin VanGilder went to Elgin Monday on business.  
 Mr. and Mrs. Fred Kurilo and family of Portland were weekend guests of Mr. and Mrs. Lester Barnum.  
 Mr. and Mrs. Jim Brown were here from Cathlamet last week Jim says he had a good crop of oats and that the deer are thick as jackrabbits around his new house on the river.  
 Beefe has bought the old Henry Ruggles Model T Ford and got it to running. Sounds like old times.  
 Mr. and Mrs. Wendell Balsiger drove to San Francisco last week arriving there Thursday. After seeing the town for a few days they attended the Oregon-California game and found it an excellent game—and very thrilling.  
 J. S. (Sielt) Burres had another automobile accident last week when his pick-up struck a tree on the road to The Dalles. His pelvic bone was broken over again just as it was partly healed from his accident with a horse last fall and he is in the hospital again for an indefinite time.  
 Mrs. John DeMoss jr. gave a surprise brunch at her home last Thursday in honor of Mrs. John DeMoss sr. Those attending were Ethel Strong, Mollie McLachlan, Grace Busse, Selma Watkins, Dorothy Olson, Kerrone Christianson.

Wily Knighten Jr. was here Saturday and part of Sunday while on a long weekend pass from Hamilton Field, California.  
 Mrs. Don Anderson was in the hospital a few days this week and will have an operation for gonorrhea next Monday morning. Mr. and Mrs. Roy Belshee visit Cleo and family.

**International leads again!**

With 4 Great New All-Truck Features for America's Only All-Truck Light-Duty Models

INTERNATIONAL—world famous for truck value and all-truck engineering—now brings four big quality advancements to the light-duty truck field! Now—with new engines, new handling ease and performance—INTERNATIONAL sets a new high in light-duty truck value! Come in and see these newest features... then take a demonstration drive.

- New Tubeless Tires.**  
 New standard equipment on all ONE HUNDRED Series models. Provide great new safety and freedom from tire troubles. Lessen the danger of blowouts and punctures. Operate with less noise.
- New Automatic Transmission.**  
 Last word in automatic drives! Extra pulling power for smooth, fast starts. Direct gear drive in high for conventional transmission economy. Cuts engine, drive-line, tire wear, maintenance cost. For all light-duty models, at low extra cost.
- New Overdrive Transmission.**  
 INTERNATIONAL-tested and proved to provide outstanding light-duty truck economy. Reduces engine speed—increases engine life—saves on gasoline, oil, maintenance expense. Well worth low extra cost in all ONE HUNDRED and R-110 Series models.
- New Power Steering.**  
 Truck-designed, truck-built to combine finger-tip-easy parking and maneuvering with true, solid "feel of the wheel." Provides conventional steering in event of power failure. For all light-duty models, at extra cost.

Arrange for Demonstration Drive—Today Your trade-in may cover the down payment. Ask about our convenient terms.

**MORO, OREGON**

**INTERNATIONAL TRUCKS**

**"Underwater ear" spots telephone cables fast.** Using a special underwater sound detector, telephone trouble shooters can quickly find cables lying on the bottom of the bays and rivers of the Pacific West—even cables buried deep in silt. This means cables can be raised, when necessary, in much less time than if we had to grapple for them "blindly" or a diver had to wander about looking for them. And, of course, time saved is also money saved. Thus, the "ear" is helping us bring you good service at low cost. Pacific Telephone works to make your telephone a bigger value every day.

**NOW, FOLKS, LET'S GET DOWN TO THE TRUE FACTS ON THIS MILK BUSINESS**

**"I WANT TO PRODUCE CLEAN MILK... BUT HOW CAN I IF I DON'T HAVE THE PROPER CARE?"**

Most dairy farmers and us COWS feel that if the essential MILK LAW were out, you people would be faced with an unsteady milk supply. When this happens, you might be forced to buy milk of inferior quality. It just makes sense that if the dairy farmer does not have sufficient income, he cannot afford to keep us cows clean and keep up the high cost of maintenance that is required by our laws for grade A dairies.

**WE OWE A GREATER RESPONSIBILITY TO OUR CHILDREN THAN WE DO TO THE POLITICIANS!**

Milk is a perishable item which must be handled very carefully and processed properly. It is the most necessary food item on your family table, where it must arrive fresh and pure to protect your children and the public welfare.

- THE MILK MARKETING ACT PROVIDES A FAIR DEAL FOR BOTH YOU AND THE DAIRY FARMER!
- THE MILK MARKETING ACT PROTECTS YOUR STEADY SUPPLY OF PURE AND WHOLESOME MILK!
- THE MILK MARKETING ACT HAS SERVED YOU WELL FOR OVER TWENTY YEARS!

**VOTE 8X NO**

Oregon Health Authorities and Grade A dairymen have worked harmoniously to give you the cleanest and safest milk supply to be found anywhere in the world.
