Come out of that kitchen, lady!

let the "automatic maid" do your dishes!

Join your family—or your guests—in the living room. While you relax, all your dishes, glasses, silver, pots and pans come sparkling clean *automatically* with an electric dishwasher! All of a sudden, doing dishes is actually fun! No more long hours of dull work, no more red, water-soaked hands!

This perfect companion to the dishwasher belongs in your kitchen, too!

The automatic electric garbage disposer does away with most disposal problems, helps keep your kitchen neat and clean. Food waste and scraps are "washed away" *electrically*!

Put these two electric servants to work for you right now, and stop spending so many needless hours in the kitchen! It's easy to "hire" them, and they'll do all your "dirty work" for just a few cents a week—further proof that electricity is today's biggest bargain!
