TOM'S WELDING & EQUIPMENT

Sales—Service—Parts
Case — Calkins — New Holland
The Dalles — Moro — Tygh Valley

It gives a stirring and shattering action on the top two inches of soil without burial of residues. At the same time it gently treads and firms the soil beneath, thus effectively retarding wind and water erosion.

The Dunham CULT-SKEW TREADER is a most profitable tool because it is useful throughout the entire planting and cultivating season. With various adjustments it can be used for MULCHING, WEEDING, PULVERIZING, CULTIVATING, and TREADING.

NOW! Your best buy *Automatically!*

Light-duty INTERNATIONAL Trucks with **AUTOMATIC TRANSMISSION**

Now INTERNATIONAL light-duty models give you new economy, efficiency and driving ease — automatically.

The newest, finest automatic transmission offers extra pulling power for smooth, fast starts under load. And its direct gear drive in high assures the economy of a conventional transmission — with the same "solid" feel, absence of slippage and sensation of high engine speed, plus engine aid for downhill braking.

This new automatic transmission is available at slight extra cost in all light-duty models. New overdrive transmission also available for ONE HUNDRED and R-110 models.

Come in and let us give you all the reasons why a new INTERNATIONAL light-duty truck with automatic transmission is *automatically* your best truck buy.

Saves You Money — Many Ways

- Provides the effort-saving, engine-saving, fuel-saving advantages of correctly-timed automatic shifting — plus the added economy of direct gear drive in high.
- Reduces engine, transmission, drive-line and tire wear through smooth, properly timed shifting. Eliminates clutch and clutch servicing. Cuts maintenance costs.
- Saves time in traffic due to simpler, easier driving. Less driving effort means greater safety.

Your trade-in may cover the down payment. Ask about our convenient terms.
