CULTI-SKEW
TREADER**

**UNEQUALLED ON
STUBBLE MULCHING**

It gives a stirring and shattering action on the top two inches of soil without burial of residues. At the same time it gently treads and firms the soil beneath, thus effectively retarding wind and water erosion.

The Dunham CULTI-SKEW-TREADER is a most profitable tool because it is useful throughout the entire planting and cultivating season. With various adjustments it can be used for MULCHING, WEEDING, PULVERIZING, CULTIVATING, and TREADING.

NOW ON DISPLAY! New Chevrolet Task-Force Trucks!

It's the largest and finest fleet of trucks ever built
by the nation's No. 1 truck builder. Whatever your task or trade,
there's a new Chevrolet truck to make or save you money on the job.
Come and look 'em over!

Now Chevrolet introduces "Work Styling"—an exclusive development in truck design. Plus new engines—new capacities—new Overdrive and Power Steering—new features and advantages throughout.

Here's what happens when America's leading truck builder pulls out all the stops! Here are trucks that are new from the drawing board out!

New styling in trucks
Fleet, functional styling that fits your job! For the first time in any truck line, two distinctly different styling treatments are offered—one in light- and medium-duty models, another in heavy-duty. Your handsome new Chevrolet Task-Force truck will be a profitable advertisement-on-wheels for you and your business!

A new outlook for the driver
Truck driving was never like this! The new Flite-Ride cab is everything a driver could wish for, from its big Sweep-Sight windshield to its concealed Safety Step that keeps clear of mud or snow! The new instrument panel and controls are the last word in convenience!

Six new "high-voltage" engines
With a new 12-volt electrical system for quicker, surer cold-weather starting and increased generator capacity! Plus more efficient cooling and lubrication systems, an improved fuel system, and completely redesigned engine mountings.

And much more that's new
Like new High-Level ventilation . . . tubeless tires, standard on 1/2-ton models . . . Power Brakes* for all models, standard in 2-ton models . . . new 18,000 lb. max. G.V.W. in 2-ton models. And there's a new choice of transmissions, including new Overdrive* and Hydra-Matic*. New Power Steering* for all models. Come in and see the newest things in trucks!

*Optional at extra cost. Overdrive available on 1/2-, 3/4- and 1-ton models.
