STAR'S WEDNESDAY

Miss Shirley Lerose McIntyre, white gladiol and white mums as daughter of Mr. and Mrs. A. H. McIntyre of Wasco, was married her father. She wore a gown of St. Peter's Catholic church Chantilly lace with mandarin neckline and sequin trim and a finger tip veil. Mrs. John Joyce, of Mr. and Mrs. Frank Miller of The Dalles, sister of the bride, was matron of honor in a waltz length crystalure gown of bluestone. Bridesmaids

were Miss Janice McIntyre and Miss Betty Krautscheid in identical gowns.

Tom Foley was best man and Donald McIntyre, Pete Lee, Tom Kasberger and Bill Koleso were ushers. The reception was held at The Dalles hotel for 250 wedding guests.

After a trip to Victoria B. C. the couple will be at home at 751 S. W. Vista Ave., Portland.

The Rufus high school was out Monday selling advertising for this year's school annual.

Mrs. Larry Cagle, Mrs. Bob Byrd and Mrs. Harvey Hansen were hostesses to the Rufus PTA when they met at the school Monday evening. Curtis Neal, president, conducted the meeting. He appointed the following committee chairmen for the year: Allen Tom, legislation; Larry Cagle, hospitality; Mrs. Allen Tom, ways and means; Ralph Vrana, program; Les Hascall, publicity. The chairmen are free to appoint co-workers. The group will have a Halloween costume party on the Friday before that holiday. Mrs. Bill Macnab was made chairman with helpers Miss Lenore McNulty, Mrs. Geraldine Overhaise, Mrs. Bob Morris and Mr. and Mrs. Curtis Neal. The dues of the club were collected and membership cards given out.

RUFUS ITEMS

Heavy clouds Monday and Tuesday threatened rain to this area, and late Tuesday this part did get a little rain. The rain of last week was heavy in some parts of the county, and barely settled the dust in other parts. A good general rain would be good for the county.

Mr. and Mrs. Odd Brown stopped in Rufus Sunday evening on their way to The Dalles after a weekend hunting trip in Eastern Oregon. Brown formerly worked in Rufus and was recently transferred to The Dalles. The Browns are making their home in a trailer court in that city.

Les Hascall, principal, showed a twenty minute color film about the Columbia river and its developments including all the dams which was educational and entertaining.

Mrs. Don Macnab sent an announcement that she will have a 4-H sewing class at Rufus October 12 at 10 a. n.

Brea aqua news
PRE-PLANT DRILLED SOAK-IN NITROGEN PAYS OFF FOR LOCAL GRAIN GROWERS
it soaks in
it stays put
it pays off!
OUR ALL-MECHANIZED 'AQUA' SERVICE saves you time and money by eliminating lift-and-lug field side handling and speeding up applicator refills.
More and more local grain producers are boosting yields and profits with Brea Aqua Ammonia... low-cost, high performance nitrogen-in-solution. Brea Aqua is a "natural" for grain. It combines easy, mechanized fluid handling with pre-plant drill application which soaks nitrogen into the soil at just the desired number of pounds per acre.
Brea's Agricultural Technical service offers these recommendations for dryland grain. Vary the application rate with average rainfall expectancy as follows: In Washington and Oregon: 8-15 inches of rain—30-50 lbs. N per acre; 16-23 inches of rain—50-70 lbs. N per acre; above 23 inches of rain—70-90 lbs. N per acre. Soil tests are recommended to determine phosphate requirements.
For more information and assistance in planning your nitrogen schedules—call us today. We'll be happy to show you how Brea 'Aqua' pays for itself over and over again. You'll like our prompt service, low cost, per pound of nitrogen applied, all-mechanized handling and the exceptional results.
Just call us and we'll come out and show you how Brea Aqua solutions can make more money for you.
