Your EQUITABLE REPRESENTATIVE

The most dangerous attitude in the world for any farmer, rancher, or other businessman is to think that since he can save only a small amount each year a savings program isn't worth starting. Even small savings, made regularly, pave the route to a buffer for a bad year. Your Equitable representative has helped many others build funds when they thought it impossible. Merely by placing your operating money with Equitable and gaining good earnings until you need it, you can make a start toward a solid sum of ready cash. Find out more: phone your Equitable representative or fill in and mail the coupon for full information.

Please see that I get full information about Equitable savings plans.
