

Merry Christmas to you
And a prosperous New Year,
With thanks from The Zipper
To all who have been here.

You've helped us with business
From the very beginning,
And we are so grateful
For the venture is winning!

Moro Personals

Leslie Edwards came home Friday after three years in the army a part of which was spent in Georgia and the last part in Germany, from which he returned last fall. Leslie says he is going to go to school next winter.

School children attending colleges away from here are getting home for the Christmas holidays. Some came last week for the annual Winter Wonderland dance at school and others will not arrive until Friday. Don Miller and Norman Fridley are home from Linfield, Sherry Woods and Carol Burnet from OSC and the others are going to be here in a few days.

CARD OF THANKS

We would like to express our sincere appreciation to those who have been so kind and thoughtful in their various ways during our recent sorrow and joy.
