THE SECRET OF THE SMOOTHNESS
IS IN THE SECOND COUPLING!

Jetaway features TWO fluid couplings to give you twice the smoothness! The second coupling fills and spills with jet-like speed to ease you into every driving range so quietly, so smoothly the change is almost imperceptible. Just try Oldsmobile's Jetaway... it's the greatest advance in automatic transmissions in 17 years!

And how you get away! With the flashing "go" that Hydra-Matic made so famous, plus a new liquid smoothness that's Jetaway's alone. Just try Jetaway*. Pour on the power! You'll see the dramatic difference, when Oldsmobile's revolutionary transmission pairs with the Rocket T-350 Engine... 9.25-to-1 compression big! Here's super action with power to spare. What's more, in this Olds you wing along in the solid assurance of its sure-footed Safety-Ride Chassis... in the smart luxury of its fashionably tailored interior... with the

welcome ease of the newest in modern power features†. And, when it comes to looks, Oldsmobile's Starfire styling is in a class by itself with its original side treatment and trend-setting "Intagril Bumper." This Olds can be yours at a price that's amazingly low. Stop in today and see!

*Standard on Series Ninety-Eight; optional at extra cost on all other series.
