If it wasn't for eating we'd save lots of money, but we wouldn't have much fun. What, though, is money good for if not for fun?

WHAT'S DOING

Cal Horn, your Telephone Manager

What makes a company a good citizen?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of \$11,450.00 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the community in other ways. We think it is important to take part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Wish them well—by long distance

A wedding is one of the most important events in their lives. And a long distance call, wishing them well as they step out together, will make them feel extra good. For occasions like this or when you just want to take a few minutes to say hello to someone special, long distance is the warm and close way. Why not look in your directory and see how very little it costs to call someone very dear to you.

How to go shopping in your armchair

It's easy when you use the Yellow Pages. No matter what you want, be it a new furnace or just a can of paint, you'll find who sells it and you'll find them fast by looking in the Yellow Pages section in your phone book. The Classified part of your telephone book comes in handy, too, when you'd like to shop around a little, get prices without leaving your house. Yellow Pages are a guide to good shopping. Use them often when you want to reach the folks who sell or serve in Grass Valley, Moro, Wasco and The Dalles.
