HERE'S A WIFE WITH WIRING BLUES...

She has her heart set on a gleaming, new electric range to add beauty and top cooking performance to her kitchen. But she has a problem — she doesn't have the right kind of wiring in her home.

If you're in the same  then here's the plan for you — Reddy Kilowatt's TIME-TO-REWIRE PLAN — for all P P & L customers!

Pacific Power will completely finance the additional wiring you need in your home

Now you can bring your wiring up to date and enjoy the full benefits of modern, electric living — yet pay as little as \$3 a month along with your low monthly electric bill. No money down... Take as long as three years to pay (maximum contract \$350).

Here is your opportunity to modernize the wiring in your home right now and gain the pleasure and convenience that modern work-saving electric appliances can give.

With the Time-To-Rewire Plan, you can also finance the purchase (plus cost of installation) of a modern, faster-than-ever electric water heater. And, if your home needs permanent lighting fixtures, add them to your low-payment contract, too.

For complete information about the Time-To-Rewire Plan see your appliance dealer, your electrical or plumbing contractor, or stop in at your Pacific Power & Light office.

Use the TIME-TO-REWIRE PLAN and live better... electrically.
