HOSKINSON-NELSON

Miss Jean Nelson, daughter of Mr. and Mrs. Horace Nelson of The Dalles, Oregon and Lieutenant Robert Eugene Hoskinson, son of Mr. and Mrs. R. B. Hoskinson of Moro, Oregon were united in marriage Friday June 15, 1956 at 8:30 o'clock p. m. in the Chapel at Anderson Air Force Base, Malden, Missouri. The bride wore a teal blue suit with pearl and rhinestone trim. She had pink accessories.

A reception was held at the apartment of the couple by members of the Air Force. After a short honeymoon in St. Louis, Missouri, the newly married couple returned to Malden where Lieutenant Hoskinson is stationed with the Air Force.

Rufus Scene of Kerns-Eaton Nuptials With Reception Held In Grange Hall Later

Miss Elaine May Eaton, daughter of Mr. and Mrs. Eugene Eaton was united in marriage Saturday June 16 to Justin Keeney Kerns, son of Mrs. Minnie Randell of Portland. The service was performed in the Rufus church of the Nazarene by their pastor, Mrs. W. M. Franklin at 2 p. m. This was the first wedding in this church although it was built several years ago.

Flowers were lavishly used to decorate the church. Jerry Brackett and Jim Franklin acted as ushers. Grace Franklin played the piano prior to the service and also for Jim Franklin in the coffee urn "I Love You Truly".

The bride entered the church on the arm of her father, Eugene C. Eaton. She wore a ballerina length dress of white net with lace bolero. Her address was a white cluster of flowers on a finger tip net veil. Her corsage was a white orchid and she carried a white Bible.

The brides only attendant was Miss Carol Grant, in a pink lace dress with hat to match. Neal Eaton, brother of the bride was best man.

Mrs. Eugene Eaton, mother of the bride wore a light tan suit

with white accessories and corsage of red rosebuds. Mrs. Minnie Randell, mother of the groom wore navy with white accessories and corsage of pink carnations.

After the ceremony the bridal party greeted guests in the Rufus grange hall where the reception was held.

The five tiered wedding cake was centered on a white lace covered table, and decorated with white frosting, swans, pink roses, white bells and topped by a bride and groom figurine. The cake was first cut by the bride and groom and then served by Mrs. Robert Byrd. Presiding at the coffee urn were Mrs. Elbert Peterson of Oakland, Calif., and Mrs. Orie Conboy of Hermiston, aunts of the groom and bride, Mrs. Joe Morris presided at the punch bowl. Mrs. Luther Davis was in charge assisted by Mrs. Ray Brown, Mrs. Bob Morris and Mrs. Larry Cagle. The wedding gifts were on display at an ecrú lace covered table with Catherine Tom in charge.

After a short honeymoon the young couple will be at home near Portland where the groom is time keeper for the railroad.

The H.E.C met June 14 at the home of Mrs. Alta Smith. Mrs. Bill Huck was co-hostess. A delicious dessert of strawberry gelatin salad was served with coffee and punch. Mrs. Robert Byrd, called the meeting to order. Roll call was a sweet cherry recipe. Mrs. Byrd reminded all to save Betty Crocker coupons. The women will get the rummage ready Monday and Tuesday for the sale in The Dalles June 20-23 at Mauders. They voted to donate to the Arthritis and Rheumatic Foundation and Muscular Dystrophy association.

The Rufus church held a Missionary meeting June 13. Mrs. John Mathieson is president and Mrs. Fay Brackett superintendent of study.

THUNDERSTORMS NOW MAKE HAIL INSURANCE A MOST COMFORTABLE ITEM TO HAVE

Everyone Buying Hail Insurance this week says, "Now I can sleep better"

Look at it this way - if you lose only one wheat crop in 67 you break even on the cost. This does not consider that it is a deductible item on your income taxes. Considering that, you insure your wheat crops for upwards of 100 years for one crop loss.

Can you afford the loss of crops and sleepless nights for 100 years for such money

\$15 cost for \$1000 protection

Standard asphalt research helps bring taxpayers 3 miles of paving for the cost of 2

Progress in the West means 1956

You are more comfortable, get there faster, when you drive on safe, modern roads of sturdy and resilient asphalt.

CROWDED HIGHWAYS waste motorists' time—and lives. To build more miles of better roads at lowest cost, highway engineers turned to asphalt paving for 85% of the nation's roads. They find asphalt costs 30 to 50% less than other pavements. It lasts longer, reduces headlight and sunlight glare, provides noiseless, comfortable driving. To help meet the nation's highway needs, Standard* has expanded its asphalt production across the country, now operates nine asphalt refineries.

Our scientists work with highway engineers on improved construction techniques which save millions of your tax dollars each year. This means more and better roads, to serve a nation on the move.
