Grass Valley

By Mrs. A. F. Balzer

Mrs. Earl Olds and Mrs. Herman Ziegler attended a layette shower for Mrs. Carl Ziegler, nee Evelyn Kirkelle, at the home of Mrs. Ivan Kirkelle in Moro Tuesday afternoon. Each guest brought their gift unwrapped for all to see before wrapping them to be sent to Mrs. Ziegler who is with her husband in Texas with the army and was unable to be present. Refreshments were served by the hostess.

Mr. and Mrs. Alfred Payne and family took her mother, Mrs. Christine Maldaner, to Portland Saturday to the home of her daughter, Mrs. Adam Bauder, after spending a few days here with them. They returned Sunday.

Mr. and Mrs. Eugene Vintin arrived Wednesday from Corvallis and spent Saturday visiting his brother in law and sister, Mr. and Mrs. Frank T. Bayer.

Mr. and Mrs. Hal Gomez and daughters left Friday for their home in Ruth, Nevada, after a vacation here with her parents, Mr. and Mrs. Alfred Payne and family. Mr. and Mrs. John Decker went to Portland August 23 to visit her mother at the nursing home and from there they went to Cannon Beach and spent a couple of days.

CARD OF THANKS

I wish to thank my friends who remembered me during my recent stay in the hospital with cards, letters, visits and flowers. They were greatly appreciated.

The answers to everyday insurance problems*
By Frank Ketter

QUESTION: Will Fire insurance pay for damage from heat to the outside of an electrical appliance even though the fire never actually comes in contact with the appliance?

ANSWER: Yes, heat damage to non-combustible objects is covered.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

SMUT and SEED ROT

DOOMED

by 2 amazing new products from

both in one easy treatment

SANOCIDE* ORTHOCIDE-65*

(contains 40% HCB)

New SANOCIDE* controls common bunt four ways better.

1. Protects against soil borne spores (of common bunt) as well as seed borne spores.

2. Relatively non-hazardous compared to mercurial compounds.

3. Treated seed can be planted immediately.

4. Wide margin of safety for overdose (up to 10 times the required amount has caused no injury).

*tested and APPROVED by State Colleges of Oregon, Washington, Idaho.

(contains CAPTAN—the wonder chemical)

New ORTHOCIDE 65* proved amazing protection against seed rot.

1. Protects against rot caused by slow germination in areas of low rainfall.

2. Protects against rot caused by over-wet ground in gullies.

3. Produces most valuable crop asset—UNIFORM STAND.

4. Acclaimed by farmers throughout Conell region—over 30,000 acres treated for last two years.
