Moro Lodge No. 113 I.O.O.F.

Meets 1st and 3rd Tuesdays in I.O.O.F. hall. Transient and visiting brothers are cordially invited. John Shipley, N. G. Leo Watkins, Secretary

Mrs. Charles Adlard.

Bob Roberson is here for a few days before starting another term of school teaching at Condon.

Mr. and Mrs. Karl Landstrom of Washington, D. C. and his parents, Mr. and Mrs. Landstrom of Lebanon were here last week end. They spent some time at The Dalles to visit Mrs. Landstrom's mother, Mrs. Ora Peetz in a hospital, before going to Portland Monday. Mrs. Landstrom will return Thursday and plans to dispose of the Peetz home so her mother will have less work to do.

The Hugh Arstall family are now living at Aloha, Oregon and FOR SALE: Upright piano. Art Bibby, Grass Valley. 45-6p

FOR SALE: Five bedroom house, 2 bath, modern, furnished or unfurnished, in Moro. Call JO5-3248.

The first fall meeting of the local Rebekah lodge will be held Tuesday night, September 11 at

the hall. It is necessary to arrange for a convention in October so the meeting is important.

There will be a meeting of the American Legion auxiliary Friday at two o'clock at the Legion hall and members are requested to come.

Hostesses for the recent show-

er for Mrs. Carl Ziegler at the home of her mother, were Kerone Christianson, Diane Stewart, Carrie Belshe and Pauline Douma.

Tom Douma was released from a Portland hospital last Thursday following a serious operation. He is recuperating very well.

he is here at work again after an absence.

Mrs. Stan Coe and Mrs. W. N. Morse went to Portland Tues-

day to bring Mrs. Gladys March to the Dalles to recuperate the last of her illness. Mrs. March was hospitalized for a few weeks after a serious operation in a Portland hospital. for two days.

GRAIN GROWERS CUT COSTS WITH "NO-LIFT-NO-LUG" NITROGEN SERVICE

OUR MECHANIZED FIELD-SIDE SERVICE saves you manpower and equipment time on storage, handling, hauling and applicator loading.

MECHANIZED REFILL cuts applicator loading time and labor 70-80 percent. High-speed transfer pumps do the work faster, better.

Why are grain growers in a major swing to Brea Aqua Ammonia from non-solution types of nitrogen? (Rate of change-over 26 to 1 in some areas.)

The big answer is big yields and better profits! And better profits result because Brea Aqua handles faster and easier above ground... then out-performs other nitrogen carriers below ground. (Up to 20-30 percent in official production tests.)

Our field-side handling, loading and drill application are fully mechanized. Application tanks are refilled with high-speed transfer pumps which cuts loading time. One man keeps a rig rolling and covers more acreage, more quickly, because this

liquid fertilizer permits faster ground speeds with less draw-bar pull.

Brea Aqua provides the long-sought answer to ideal drill application. It soaks nitrogen into the soil and gets young grain off to a healthy start. Brea Aqua stores exceptionally well in the soil too, and feeds nitrogen to growing grain continuously over a long period.

Talk to us about combining soil preparation with fall injection for even greater savings of time and money. Let us give you proof that "no lift, no lug" fertilizing with Brea Aqua Ammonia means bigger grain profits.

Just call us and we'll come out and show you how Brea Aqua solutions can make more money for you.
