Building for Better Living—Electrically

Modern families all over Pacific Powerland prefer "all-electric" living. PP&L is hard at work with a five-year, \$157,000,000 building program to meet the fast-growing demand for more and more electric power.

Six square feet of easy livin'!

With an Automatic Electric Clothes Dryer

A modern compact electric dryer takes no more space than your favorite armchair. Yet it does all your family's clothes drying chores quickly, automatically, efficiently. With new work-and-time-saving features, an automatic electric dryer fits perfectly into your plan for modern living. Set the temperature, turn the switch and your washday drudgery is over—it's that easy with a modern electric clothes dryer.

An automatic electric dryer is a budget-saver, too. Low initial cost...economical to

install and operate. And just a few cents worth of Pacific Power's dependable low-cost electricity is all it takes to dry the family wash for a whole week. See the many models of modern electric dryers at your dealer's. Let him help you plan your better electric living.

TIME-TO-REWIRE—Remember, if you're a PP&L customer, Pacific Power will finance any additional wiring your home needs. Nothing down, as little as three dollars a month, with your low monthly electric bill.
