Wasco News
By Doris Nisbet

Many Wasco people were present in the huge crowd that turned out for the dedication of the new Sherman High School. All found the program very interesting and worthwhile, especially the talk given by Mr. Clyde Beard principal of The Dalles High school, whose wonderful speaking ability, once heard, is never forgotten. Parents and friends, after inspecting this new educational center, leave with the warm feeling that all the effort and sacrifice put into it have been well worth while and it fills one with resolutions to redouble the efforts to improve continually, the new opportunities which have been opened to our children.

The regular meeting of the Wasco Rural PTA was held on the first Thursday with President Marjorie Van Gilder presiding. A candlelighting ceremony was presented in honor of Founder's Day. Mrs. Bob Bish, Mrs. Arlet Rhinhardt, and Mrs. Dewey Thomas were elected to nominating committee to obtain candidates for officers for the coming year. Rebecca Rhinehart and Judy Watkins, accompanied by Betty Haversang sang a duet. "I Believe". Father Martin Quigley, Rev. Richard Bruner and Mr. Harold Fowler presented a panel on different phases of child rearing. A large Founder's Day cake was served.

Mrs. John Foss has taken Mrs. Vern Dutton's position as Den Mother for Den No. 2 of the Cub Scouts.

Sunday dinner guests at the home of Sam Brocks were Mr. and Mrs. Joe Yocum and daughters.

Mr. and Mrs. Vern Melzer had as dinner guests Sunday Mr. and Mrs. Virgil Brock, Karen, Joe and Jimmy.

Announcing OLDSMOBILE'S NEW J-2 ROCKET!

It's the most exciting engine development since the first Rocket was launched!

Engineers have dreamed for years of an engine that combined exceptional horsepower and torque potential with outstanding fuel economy in normal operation.

And today, Olds has it in the new J-2 Rocket. You'll find it's like two engines under the hood!

In your day-to-day driving, you enjoy the smooth, alert action of the Rocket—without the fuel economy of dual-jet carburetion and a 10-to-1 compression ratio. But to meet the exceptional driving situation, just open the accelerator beyond the 3/4 point and two additional carburetors automatically jet into action. There's an instant boost in torque and power. You'll appreciate the immediate response as another Olds contribution to your pleasure and safety at the wheel!

TRIPLE-ACTION RESERVE POWER!
Simply nudge the accelerator beyond the 3/4 mark and you "call out the reserves"! The J-2 Rocket then operates on three dual carburetors. J-2 is available now at a modest extra cost. Try it!
