Come in and take our "V-8 PERFORMANCE TEST"

Trucks for every job, from the world's most complete truck line—½-ton pickups to 90,000 lb. models.

Here's your chance to test the same heavy-duty trucks that are breaking performance records all over America in every type of operation.

Simply drop in or phone and we'll arrange for you to drive a new INTERNATIONAL Heavy-Duty V-8.

We want you to take it out on the roads you know are rough. We'd like you to see how fast it takes off from traffic lights—see how it walks away and leaves other trucks on grades—see how much less downshifting you do.

And while you're checking performance, keep in mind that these new V-8's are setting new records for operating economy, too!

Come in and take our "V-8 performance test" today!

NEW CASE "A" Series

Built to Stand the Shocks and Strain of High-Speed Plowing

Super Strength PLOW

You never saw such strength in beams and bracing, frogs and frame . . . nor such tremendous trash clearance. There's full 24 inches of rank from bottom to bottom . . . 26 inches under frame to plow point. That gives gang-way for bulky, bushy trash . . . heavy hybrid stalks . . . rank green weeds. Case Eagle bottoms turn a beautiful furrow at fast speeds . . . or slow . . . and self-sharpening "throw away" shares keep costs down. Come in—see this great plow now. Ask for copy of new catalog.
