Come in and take our **"POWER TEST"**

Trucks for every job, from the world's most complete truck line—1 1/2-ton pickups to 90,000 lb. models.

You know INTERNATIONAL's reputation for usable power. Now here's your chance to see what's back of this reputation—to test this power yourself!

You're invited to take one of our INTERNATIONAL Trucks and give it the works. Try it under the most rugged conditions you can think of. Put it through tests that would make your present truck strain and shudder. This way, you can see for yourself how INTERNATIONAL handles the tough jobs.

Be sure to test the truck long enough to convince yourself that INTERNATIONAL power is power without strain. This kind of power means lowest operating and maintenance costs over the years. We'll be happy to set up a test any time. Come in or phone soon!

Over the years **INTERNATIONAL TRUCKS** cost least to own! (and owners' cost records prove it)
