Power from The Dalles went on the line Wednesday, September 25, a date that many will wish they had remembered in time to come. Although this area has seen Bonneville and McNary come into being as Columbia river dams neither have been as close, geographically or otherwise, as The Dalles dam which everyone has seen abounding since its inception. Before long, in all likelihood there will be a day when John Day dam will begin making power.

CARD OF THANKS
The "Wingmasters" club is very appreciative of the support given the model club meet held in Moro last Sunday. Had it not been for the support of Moro merchants and business men the meet would have been impossible; as it was it was a great success, giving much favorable publicity to the city.

John Matteson, President
Mel Parker, Director

CARD OF THANKS
I want to thank my friends for the cards, flowers, and messages I received during my stay in the hospital—also for the kindness and help extended my family. All was deeply appreciated.

Orville Hockman

CARD OF THANKS
We want to give our sincere thanks to those who gave us aid at the time of the sudden death of our mother, for the flowers at the funeral and the contributions to the church memorial fund in her name.

Cal Horn, your Telephone Manager

YOUR NEW PLANT SERVICE FOREMAN FOR THE DALLES AREA

Meet Vern Aubal, pictured at his desk in The Dalles, who assumed duties here on September 3, as Plant Service Foreman for The Dalles, Arlington, Grass Valley, Moro and Wasco. Vern has 16 years experience with the Telephone Company. He was Chief Switchman at Corvallis and Pendleton before being assigned to The Dalles. As Plant Service Foreman he will supervise the installation and maintenance of telephone equipment in this area. To help him with his many duties he has a staff of 9 people. Besides being a trout fisherman he enjoys the hobbies of being an amateur radio operator and also works with radio controlled model airplanes. Vern and his wife, Arlene, and his daughter, Marilyn, 8, and son Brent, 19, live in their recently purchased home at 900 H Street. Brent is a sophomore at Oregon State college. Vern says, "I am very happy about being assigned to this progressive area."

Your phone book's probably the best-read book in town. And you count on it for accuracy. Our people who put out the directory never forget this. Everything's checked over and over. Just to make sure they're right, numbers are read backward as well as forward. Employees trade off on these checking jobs, to keep a fresh slant on things. And with their training, they know how to spot mistakes—and fix them. Pacific Telephone

Come in and see our INTERNATIONAL Truck "POWR-LOK" Test!

DON'T SPIN YOUR WHEELS

It's next best to having traction power on all four wheels—and the cost is so low!

POWR-LOK is an ingenious new differential that gives power to the rear wheel that has the most traction. With POWR-LOK you pull through mud holes, loose sand, other slippery places that would normally stop a truck with standard differential.

So don't spin your wheels. Be sure your next truck is an INTERNATIONAL with POWR-LOK differential. Come in and see our convincing test, first chance you get.

INTERNATIONAL TRUCKS cost least to own!
