

**Moro Personals**

Mr. and Mrs. Clay Brownhill stopped in Moro Friday to visit around the county for a few hours. He is a son of Timothy Brownhill and Hattie Hill, who once taught at Grass Valley, way back when.

Mr. and Mrs. Collis Moore returned from Reno where they had been while she attended a Republican meeting in her capacity as national committee woman. They left Monday for Portland for a medical appointment.

Banker Bob Ferrell was in Portland Friday for a conference with officials of his bank.

Harry Ragsdale and John Searcy were in the county Tuesday looking after business affairs here. They report Mrs. Lida Ragsdale in the hospital at present with an attack of arthritis.

Coming from Portland to attend the meeting of the Historical society Sunday at Grass Valley were Mr. and Mrs. Charles Powell and Mr. and Mrs. Tom Fraser. Mrs. Vi Race was also here and announced a welcome from the Sherman County Ladies club of Portland which meets monthly there.

Mr. and Mrs. Murton Harland were here Sunday as guests of Mr. and Mrs. Theodore Johnston while on their way to the Hawaiian Islands for the winter. They have a cattle ranch on Pincher creek, south of Calgary.

County Clerk Marie Hoskinson and Mr. Hoskinson, County Treasurer Naomi Van Gilder and Mr. Van Gilder, the members of the county court and Kendrick Dunlap, road master, were in Portland the middle of the week to attend conventions of those branches of county government.

Clair Balzer drove to Portland Wednesday to attend a meeting at the Imperial Hotel.

Sarah Perkins, former missionary to China, who was to have spoken at the Moro church Thursday night, is ill with the flu and did not appear.

The Allan Pinkertons were hosts for a family dinner party Wednesday, the occasion being the 40th wedding anniversary of the Harry Pinkertons. The Dean Pinkertons were co-hosts for the pleasant event.

**HANDY GIRLS SEWING CLUB**

By Diana Henrichs

The Handy Girls Sewing Club of Moro met at the high school Nov. 18. Ronda Fraser, acting temporary president, opened the meeting. The main business concerned election of officers as follows: Darlene Miller, president; Darlene Gochner, vice-president; Ronda Fraser, secretary; Diana Henrichs, new reporter; Lana Jean Paulson, song leader.

Enrollment cards were filled out and the girls received new record books.

Refreshments were supplied by Mrs. Orlow Martin and Mrs. Paul Fraser.

The next meeting will be held December 2.

A Turkey Ticket will be given with each show ticket every show night from now until  
**November 24**  
when a drawing will be held.  
You must be present to win.

**What's happened to gasoline prices?**  
If you've wondered... here are some things you should know

**GASOLINE COST OF LIVING**  
Gasoline prices have not risen as much as other products. The only fair way to compare is with other things you buy. The U. S. Cost of Living Index shows the over-all cost of living is up 102.3% since 1939. During that time the price of gasoline rose only 62.3% not including taxes.

**Taxes add about 9¢ to the cost of every gallon.** Thus, nearly 30% of your gasoline dollar does not buy gasoline... it's for state and federal tax. These taxes go to help build and improve the roads we all enjoy. However, we must include them as part of the price you pay for a gallon of gasoline.

**Research also helps keep gasoline prices down.** Standard and the oil industry employ more than 15,000 full-time researchers... invest more than \$160 million each year to develop ways to find and produce oil more efficiently, and to make more and better products at a lower cost.

**Gasoline quality is much better.** There's a performance bonus for motorists in the big improvements that have been made in gasoline over the years. Quality has risen so fast that the regular gasoline you buy today is comparable to the premium gasoline of just ten years ago.

**Oil is getting harder to find and more expensive to develop.** In 1956 our average cost for a well was \$149,000... up 40% over the past five years. In 1956 we completed 101 wells in the Gulf of Mexico where drilling costs can be six times as much as on land.

**Competition helps keep gasoline prices low.** There are 300 oil refining companies in the U. S. Each tries to make better products and give better service than the others. At the same time the refiner must keep his prices competitive or face the loss of customers.
