The Home Extension unit met Thursday at the home of Mrs. Harland McDonald. Mrs. Frank Reid conducted the business meeting while Mrs. McDonald acted as secretary in the absence of Mrs. Don Macnab. The March meeting will be at the home of Mrs. Frank Reid. Mrs. Allen Tom and Mrs. Joe Morris to give the lesson on yeast rolls. Mrs. David Reid of The Dalles was present to show slices of her recent trip to England, Ireland and Wales which were enjoyed. The hostess served refreshments of cake, jelly and coffee at the close of the meeting.

Mrs. Roland Johnson accompanied by Mrs. Bill Huck left Sunday afternoon for La Grande where Mrs. Johnson is conducting her State Grange lecturer's school Monday and Tuesday.

Mr. and Mrs. Harland McDonald left Monday for Portland where they are boarding the State Grange's tour to old Mexico. They expect to be gone three weeks. Mrs. McDonald's uncle and aunt are here to take care of Fleck Orchard Camp while the McDonalds are away.

Mrs. Don Macnab came home from Dufur Saturday where she had been all week helping care for her mother Mrs. John Addington.

Mrs. Addington is doing as well as can be expected, and is up and down.

Last week was so nice here. The crops are literally jumping in growth and the stands of wheat seem so rank. A good many are spraying or having their fields sprayed for weeds at this time.

All the drillers and equipment for the John Day dam moved away from Rufus, making Rufus seem rather quiet.

Work is going right along on the new service station being built just east of Rufus. It may serve as a distributing plant also.

Jerry Brackett has done some bulldozing work leveling land for John Mathieson, Win Roberts, and broke up the old foundation of the old Christian church.

Mr. and Mrs. Leonard Jordan took a drive last Sunday up to Heppner, then across country to Hermiston and return. Everything looks so nice with all the new growth at this time of year.

Mr. and Mrs. Carl Thompson were Sunday dinner guests at the home of Mr. and Mrs. Fred Harrison up at the mouth of the John Day river.

Young Redding and Jerry Miller took the Redding boat up the John Day river to the old mill site last Sunday. The river is quite high at this time, and it was hard pulling going against the current, but going with it was lots of fun for the boys.

Dog owners in Sherman County are reminded that they were to have purchased their dog licenses by March 1st. Under Oregon Law the owner of unlicensed dogs will be held responsible for all damage done by such dogs. Dogs not licensed will be picked up and held five days after which if they are not claimed, and licensed they will be destroyed.

NOW a self-contained ALL-TILLAGE TOOL
The **Calkins CHAMP**

14" CHAMP pictured with full set shovels; also available in 10 1/2" size.

1 TOOL - 4 EFFICIENT OPERATIONS

- PLOWING**
Shovels or chisel points, on efficient Strateline Bar, give exact amount of tillage action desired—and in any soil type or condition.
- SUMMER FALLOWING**
Action of rod seals moisture in, gives thorough weed kill. Use with points, shovels, or as plain rod.
- SEED BED PREPARATION**
Pull The CHAMP ahead of your drill. Rod action creates uniform, firm seed bed for big, even stands. Also seals moisture in. Two important operations with just one pass over the field.
- FERTILIZING**
AQUA or ANHYDROUS AMMONIA
Uniform application at any desired depth. Replaceable points, chilled for long wear, won't clog or freeze. Rod action above and behind, seals in fertilizer and moisture.

PLUS

- Exceptional trash clearance
- Accurate depth control
- Leaves few tracks
- Hydraulically controlled
- Tillage widths, 8 to 14'
- Replaceable wear parts
- Sealed bearings throughout
- Patented Center Drive Boot makes the CHAMP possible
- Straight line drive delivers more power to the rod
- Duralox Frame, Cradle-Type Suspenders assure uniform tillage depth
