**11,028 independent businessmen like these serve you better with Standard's help**

**Wholesale distributor Bob Evans, Mesa, Arizona, uses a plant provided and maintained by Standard. We help Bob develop new business and back him with engineering assistance on his customers' lubrication problems.**

**Robert "Bob" A. Juner, San Francisco, operates his own service station. We supply him with business forms, maps, lube guides and major equipment. Bob makes good use of Standard's training programs to improve his service to you.**

**Standard's special Aviation Division helps airport dealers like Frank Kelsey, Salt Lake City, Utah, with wind direction indicators, flight guides and credit card service . . . all welcome conveniences to his customers.**

**Standard credit cards make it possible for independent marine dealers like Joe Faires, Port Angeles, Washington, to honor charge accounts. When fuel and lubrication problems arise, his customers can rely on help from Standard's engineers.**

**Liquefied Petroleum Gas dealers like Louis Marx, Atascadero, California, find our operations manual helpful in almost every phase of his business . . . especially when it comes to saving customers time and trouble on deliveries.**

**Keith L. Tweedie, Salem, Oregon, is a heating oil distributor. Our complete program shows him how to set up an accounting system, handle credit, cut operating expenses and give you the cleanest, most convenient service possible.**

"Big Business" creates opportunities for "small business." With each doing the job for which it is best qualified, both are able to operate more efficiently . . . give you better service. In our particular case, here's how it works.

Standard research and manufacturing skill assure quality products. In turn 11,028 distributors of Standard products — represented by the six Western independent businessmen above — help bring you these products in the U. S., Alaska, Hawaii, British Columbia and many other parts of the Western Hemisphere.

Because these independent businessmen perform an important service for us, we assist their efforts with technical help, suggested operations procedures, advertising and merchandising support. Thus by helping them to help themselves, we are both able to serve you even better.
