WHAT'S DOING

Cal Horn, your Telephone Manager

CONGRATULATIONS to GLENN E. McCALLISTER: Thirty five years ago Glenn came to work for us. He says, "it seems like a fantastic dream of reality of the many changes and advancements in the telephone industry". Glenn is an installer-repairman, and since 1937 has served the public in maintenance and installation of telephone service in The Dalles territory of Wasco, Sherman and Gilliam Counties. He has performed an outstanding achievement in driving Company vehicles for 33 years without an accident. We are mighty proud of Glenn because he is a good citizen and a conscientious and expert craftsman. I know his friends and neighbors join in congratulating him on his excellent service record.

On any occasion, a kitchen phone in color makes a gift that's sure to please. With Mother's Day coming up on Sunday, May 11, you'll want to keep this in mind. For here's a gift that'll save her time and steps all year long. And she'll take pride in the beauty a color phone adds to her kitchen. Choose from seven eye-appealing colors: ivory, moss green, cherry red, pastel yellow, light gray, light beige, white. Cost, after a single installation charge: \$1.25 a month. Call your telephone business office today.
