She said it was a wonderful experience for her to spend that time in Corvallis. The grange decided to again have the food booth at the Sherman county fair with Mrs. Harland McDonald to manage it.

Mrs. Joe Morris put on the lecturer's program for the Home Ec. club. Billy Myers played two numbers on his piano accordion. The group sang "God Bless America." Mrs. Harland McDonald gave a reading "News Item." Each one was asked to draw a flag and place extra star on it for the new

Also returning from Kalispel, Montana were Mr. and Mrs. Roy Grant and family who spent a week visiting relatives who live here.

The lightning set a grass fire on Stuart Macnab's land north of the house last week, but the rain came to put it out, so there wasn't much damage done. It burned some dry grass.

A good many from Rufus went to Dufur Monday to pay their last respects to Mrs. John Addington who was buried in the cemetery just north of Dufur. The Addingtons were friends and neighbors of many of the Rufus folks. Their daughter Mrs. Donald Macnab and family live just south of Rufus on a ranch.

**Slim's "Pickins"**

Slim Thomas who owns a used-car lot on the highway proved more than once he can think fast. Last week, for example, a young roofing salesman came in to say he couldn't keep up the payments on a car he'd bought.

Someone else would have begun to talk about refinancing—or repossession of the car. But Slim looked the fellow up and down and asked him how'd he'd like a part-time job.

Now Slim's got a new salesman. The new fellow's holding

down both jobs and keeps his car too. Everybody's happy.

From where I sit, our town is lucky in having a fellow like Slim around. It's not only a good judge of a used car, but of character, too. Maybe it's because he understands others—and respects their viewpoints. Slim's one fellow who'd never try to "sell" you out of choosing a glass of beer with your meal, just because he prefers coffee!
