TAX REPORT
Mr. John F. Sly of Princeton
university who was hired to
make a report of the tax situation
in Oregon has published his
first section of a planned three.
It is a nicely printed job and
contains much useful information
for those not already tired of taxes.

HOT WEATHER
This summer's hot spell has
everyone talking as the weather
often does. It is as remarkable as
last winter's warm spell that lasted
and lasted until the winter
was over. He who finds a connection
between the two may remember
the old saying "One extreme
follows another."

PROGRESS?
One reason, seldom mentioned,
why Oregon has not attracted as
much industry as other states is
that a large number of Oregonians
don't care whether any more
people or more business comes to
Oregon or not.

PRICE OF MONEY
Although the price of every-
thing else has gone up the price
of money remains about the same
as it has been for the past 25
years. There have been variations
from the average but at no time
has the price of money got out of
a restricted circle.

MORE MEAT
The price of steers is falling in
Chicago which is about the way
experts said it would happen.
The rains in the dust bowl ex-
panded the supply of grass and
feed although it took some time
for it to reduce prices. A lower
meat price has been expected and
lucky is the feeder who has sent
his stock to market.

FOREIGN CARS
The information that the big
car makers of this country were
getting ready to put out a small
car to compete with those imported
from foreign countries need
excite no one. We do not think it
will do them a bit of good.

to now existing or to be erected;
reserving, however, to the owner

out interfering with or abridging
the rights and easements hereby

TRACT NO. U-2101E: All that
part of the northwest quarter of
Section 27 lying northwesterly of
the northwest boundary of the present
right of way of the Oregon-Wash-
ington Railroad and Navigation
Company and above the line of
ordinary high water of the Colum-
bia River, in Township 3
North, Range 17 East of the Wil-
lamette Meridian in Sherman
County, Oregon.

The land above described contains
3.56 acres, more or less, for public
use for the purposes of flood con-
trol, navigation and other pur-
poses incident thereto for use in
connection with the establishment
of The Dalles Dam, Columbia Riv-

The authority for the taking is
the Act of February 26, 1931 (46
Stat. 1421, 40 U.S.C. 258a) and
acts supplementary thereto and
amendatory thereof; Act of April
24, 1888 (25 Stat. 94, 33 U.S.C. 591);
Act of March 1, 1917 (39 Stat. 950,
33 U.S.C. 701) Public Law 367-
64th Congress; Act of May 17, 1950
(Public Law 516-81st Congress,
Second Session); Act of Septem-
ber 3, 1954 (Public Law 780-83rd
Congress, Second Session); Public
Works Appropriation Act, 1956,
approved July 15, 1955 (Public

further notified that on the 30th
day of April, 1956, a Declaration
of Taking of the estate heretofore
set out in the lands heretofore
described and designated as Tract
No. U-2101E, was filed in the
above Court in accordance with
said Act of February 26, 1931 (46
Stat. 1421, 40 U.S.C. 258a) and
acts supplementary thereto and
amendatory thereof, and simultane-
ously there was deposited in this
Court and cause the estimated
just compensation for the taking
of said estate in said lands. You
are further notified that if you
have any objections or defense to
the taking of your property you
are required to serve upon plain-
tiff's attorneys at the address
herein designated within four
weeks after the date of the first
publication of this Summons, an
answer identifying the property
in which you claim to have an in-
terest, stating the nature and ex-
tent of the interest claimed, and
defenses to the taking of your
property. A failure so to file and
serve an answer shall constitute
a consent to the taking and to
the authority of the Court to pro-
ceed to hear the action and to fix
the just compensation and shall
constitute a waiver of all defenses
and objections not so presented.

You are further notified that if
you have no objections or defense
to the taking you may serve upon
the plaintiff's attorney a notice of
appearance designating the prop-
erty in which you claim to be
interested and thereafter you shall
receive notice of all proceedings
affecting said property. You are
further notified that at the trial
of the issue of just compensation,
whether or not you have answered
or served notice of appearance,
you may present evidence as to
the amount of compensation to be
paid for the property in which
you may have an interest and you
may share in the distribution of
the award of compensation. This
summons is served upon you by
order of the Honorable William
G. East, Judge of the above en-
titled court, made and entered on
the 23rd day of June, 1958, by
the publication thereof for four
consecutive weeks in The Sher-
man County Journal, a newspaper
printed and published in the city
of Moro, Oregon, in the County
of Sherman, and of general cir-
culation in said county wherein said
lands are located, the first pub-
lication of this summons being
made in the issue of said news-
paper on the 11th day of July,
1958.

Reluctantly but necessarily we have raised the price to

ALMOST ONE MILLION 4-H CLUB MEMBERS are aiming for safer living on highways and farms, in homes and communities. Their efforts are focused on the national 4-H Safety program directed by the Cooperative Extension Service and arranged by the National Committee on Boys and Girls Club Work. Farm boys and girls enrolled in the program—and their city cousins as well—can take their share of credit for helping to decrease traffic deaths last year. Proof that they're on the job is the record high enrollment reached in 1957 when 815,000 club members between the ages of 10 and 21 took part in some form of safety activity, according to the National Committee. And hard work does not go unrewarded. At the national level eight top ranking 4-H'ers will receive \$400 college scholarships and an \$8 expense trip to the National 4-H Congress in Chicago next December. The state winner also will attend the Congress with all-expenses paid, and it is estimated that nearly 4,000 youngsters will merit the county safety medal. All awards are provided by General Motors which has supported the 4-H Safety program since 1944.
