**STRENGTHEN AMERICA'S PEACE POWER**

Our youngsters are learning the ABC's of peace for the future: How to get along with each other. How to give and take. How to respect each other's rights as individuals. But right now it's our job to keep the peace in a troubled world. And peace costs money. Money for strength to keep the peace. Money for science and education to help make peace lasting. Money saved by individuals. Your Savings Bonds, as a direct investment in your country make you a Partner in strengthening America's Peace Power. The Bonds you buy will earn money for you. But the most important thing they earn is peace. Think it over. Are you buying as many Bonds as you might?
