**PERSONAL INTEREST\***

Much as we'd like to, we can't quite claim a spotless record for personal interest, because one of our people recently forgot to smile and greet a customer. You see, his wife broke the fried eggs that morning, the dog chewed up the paper...and...well, it was an unusual case. We'll keep working, of course, toward 100% personal interest in 1959. This, along with such things as convenient locations, dozens of handy bank services and the comfort of that "bank safety" feeling, is what makes more people in Oregon save at First National than at any other place. For the highest interest in you, bank with First National Bank of Oregon.
