Bang's Disease

Now On Wane

For the first time in the long history of the Oregon brucellosis (Bang's) program, more calves are being vaccinated than adult cows blood-tested.

This word comes from the state and federal departments of agriculture, cooperators in the control program now in the final push to bring Oregon to certification by June 30.

In April, 24,972 calves in 1278 herds were vaccinated, which compares with blood tests of 23,408 cattle in 2181 herds. The same relative situation showed up on March reports for the first time. In the April blood-testing, 162 cattle in 61 herds reacted; this was about seventh-tenths of one per cent.

In the third control operation, milk ring testing in the dairy counties, an estimated 29,086 cows were tested in 1460 herds, seven of which revealed suspects.

In tuberculosis testing, ten reactors were found in eight herds in seven counties: Douglas, Jefferson, Josephine, Marion, Polk, Tillamook and Washington. This is an unusual number of reactors for this disease and the largest for any month since a flare-up of TB in one southern Oregon county three years ago. Only four reactors were found in all the tuberculosis testing done in the last six months of 1938.

In April, tuberculin tests were made on 9496 cattle in 902 herds.

Mrs. Stuart Macnab entertained the St. Mary's Altar society of Wasco at her home Monday evening May 18. Due to the absence of Mrs. Don Macnab, Mrs. Tom Macnab conducted the business meeting. Summer school plans were discussed and it was pointed out the school begins June 1 in Wasco. Two sisters will be present to take charge of the lessons. The society presented Mrs. Sarah Giannonatti with the wardrobe case of Samsonite luggage which the Rufus PTA group gave her.

Mrs. Giannonatti who is from South Dakota has been a teacher at Rufus for 11 years, and the community is going to miss her. She has been generous with her time helping in the church and

community. Mrs. Macnab served cake, ice cream and coffee to the twelve women present.

Cards have been received telling of the Home Extension meeting May 21 at 1:00 p. m. at the home of Mrs. Harland McDonald. The lesson will be on "How To Be a Gracious Hostess" and Carol Armstrong, leader, will give the lesson. The installation of officers will also take place that day.

The 4-H club at Rufus had its Mother's day tea at the Rufus school Friday after school. The program was held in the school gym and card tables centered with pots of chrysanthemums on linen cloths were appropriately placed and the mothers served cup cakes and coffee just before the program. Miss Karen Tsubota was master of ceremonies making the announcements. There was a skit with all taking part. A square dance number with Mrs. Sarah Giannonatti in charge. A quiz game with Mrs. Kenneth Spagle getting the prize. Presents were given to Mrs. Sarah Giannonatti for help with the dancing. Mrs. Bob Byrd for use of her kitchen with 4-H club work, Mrs. Joe Morris for letting the girls use her home, and Mrs. Kenneth Spagle for the demonstration of making fancy sandwiches. Before the program began each girl pinned a rosebud corsage on her mother. Corsages were made by Mrs. Will Huck and Mrs. Sammy Tsubota.

Those from Rufus going to

Grass Valley for the brunch which the Altar society put on at the Odd-Fellow hall were Mr. and Mrs. George Fox accompanied by Mrs. Sarah Giannonatti. They reported a delicious breakfast was served.

The Locust trees are in bloom with all their sweet smelling fragrance at Rufus. It has been so cool, all the flowers are so very pretty this spring.
