Lynn Hampton and daughter, Barbara, drove to the Willamette valley Sunday to attend the annual family picnic at the Maude Williamson State Park near Dayton. Mrs. Hampton and Deryl and his wife and daughter came up from Eugene. Mr. Hampton's father and mother of Tigard, 14 of their 15 children, their families, grand children and their families, a total of 88 were able to attend the reunion. Mr. Hampton's father is 83 and his mother, 76. In addition, Mr. Hampton's Aunt Maggie Hampton, 92, for 46 years a teacher in Oregon schools, was able to come, as well as a dozen or so cousins and their families. The reunion has been an annual event since 1947.

Lyle Montgomery, Jerry Youngblood, Neal Fisher and Robert Gierup from the Oregon Secretary of State's office division of audits, are in Moro, making the annual audit of the records and accounts of the various Sherman county school districts.

Mr. and Mrs. Sachi Oba and daughter, Emmanjean, and son in law and daughter, Mr. and Mrs. Valentine Douthett of Honolulu were visitors at the Dewey Thompson home last week end and many local people met them and listened to them entertain. They flew to Detroit to get a new car, went on to New York and were on their way to Los Angeles to take ship for home. Mr. and Mrs. Thompson showed them some of the scenic places of the Northwest.

Roy Sparks from The Dalles branch is here to take the place of Marion Wilhite who, with his family, is on a vacation from work at the bank.

Edward Cochran arrived Monday to visit Loy Cochran his uncle, for a few days and that evening both went down into the Deschutes canyon to take a try at fishing.

Mr. and Mrs. Bob Ferrell attended the opening of the Inland Empire bank at Hermiston Saturday afternoon and evening, being guests of Mr. and Mrs. Roger Bounds.

Clair Balzer left Friday for Salem to attend the state convention of the American Legion, returning Sunday.

Mr. and Mrs. Collis Moore and Mrs. Anna Moore returned Tuesday from a few days spent at the beach near Oceanlake.

Mr. and Mrs. John Parker were in Pendleton Saturday to see the final performance of the Indian Encampment held there in which

tribes from western United States gave their dances and programs depicting their way of life.

Mr. and Mrs. Bob Hoskinson drove to Portland Friday and took a plane to San Francisco to visit their son, Bob and wife until Thursday. He will be sent to Japan September 1 as a member of the air force.

Mrs. Cora Powell, mother of Mrs. George Reed, and Mrs. Dora Thompson, Mrs. Powell's sister came up from Portland Tuesday to visit here for a day and take a short ride on a combine to see how harvesting was done.

Sunday the pump house on the Tom Fraser place, now occupied by Orval Patnode, caught fire, probably from defective wiring, and was burned despite the assistance of neighbors.

#### CARD OF THANKS

We cannot express our thanks enough to ALL of our wonderful neighbors and friends for tireless efforts at putting out the fire at DeMoss. Our thanks to the Wasco Fire Department for timely aid and to the Moro Fire Department.

Curly & John DeMoss

#### CARD OF THANKS

We are most grateful for the work of the men who hurried to the DeMoss fire and succeeded in putting it out before it reached our place. We want to give each of them our sincere thanks.

Virgil & Alice Archer

#### CARD OF THANKS

I want to tell the men who came to help put out the fire on my place last week how grateful I am for their help. The Wasco Fire Department and all the other volunteers saved a lot of standing wheat.

Bud Powell

#### CARD OF THANKS

We wish to thank all the people who came to our assistance in putting out our pump house fire Sunday. Your help was greatly appreciated.

### Rufus Personals

### Rufus Personals

By Mrs. Geo. L. Fox

Mr. and Mrs. Claude Blubaugh who recently returned from a months vacation trip which took them as far east as West Virginia reported they traveled through the following states: Idaho, Wyoming, Nebraska, Iowa, Illinois, Indiana, Ohio and West Virginia, then home via Wisconsin, Minnesota, Montana and Washington. They hadn't been east to Ohio where both were raised since 1948, so had a good visit with relatives besides seeing a lot of country. They noted the good cheese made in Wisconsin, and their airplane industry, and thought that state had a lot to offer the tourist. They found good fishing in Minnesota with their 10,000 lakes. They enjoyed the Glacier National Park in Montana with all the wild animals. They stayed on the whole it was good traveling weather. They had a few warm days in Ohio, but as they had reached their destination, it didn't bother them much. They said if you want to see people or large highways the east has them. However, they were both glad to get back to little Rufus with her sparsely inhabited people.

It seemed good Tuesday morning to get up to 57 degrees temperature, after being hot for nearly two weeks. The wind was blowing from the west Monday with high velocity, stirring up the dirt and sand along the Columbia beach. It was reported it came as far as the John Day damsite, the wind was so strong. On Tuesday the wind had dropped and it was a beautiful day with it nice and cool in the shade. The sky looks hazy, so most anything can happen to the weather the rest of the week.

The light shower which fell here Wednesday was enough to stop harvest operations in the north end of Sherman county. The rain seemed to be spotty with some areas getting more moisture than others. However, most outfits were going again the next day.

It was reported that Geraldine Holzaphel, daughter of Mr. and Mrs. Gayle Holzaphel and Dwayne Carrol were married Monday, July 27. Dwayne Carrol attended Rufus high school a few years ago, then transferred to Wasco high school to graduate. Geraldine is a 1958 graduate of the new Sherman high school.

Miss Eilene Marshall visited at her mother's home in Hermiston Tuesday and Wednesday of this week. Eilene is a waitress at Dinty's Cafe, and lives in Rufus.

Mr. and Mrs. Basil Baines were visitors at Mrs. Baines parent's home Mr. and Mrs. Tracy Fields over the week end. The Baines live in Portland.

Mr. and Mrs. Leonard Jordan who are on a months vacation spent Saturday night visiting in Rufus. They are still having good luck fishing.

Speaking of fishing, Bill Roberts and his Dad, Win Roberts, can tell you how to catch a sturgeon. Both of them pulled their first sturgeon from the waters Saturday and Bill said it's an experience he will never forget. Mr. and Mrs. Ray Brown have been having their share of luck fishing, also.

\*Agricultural Marketing Service study of selected bakeries showed net profit after taxes at less than one-half cent per pound.

Increased operational costs in the bakery and flour mill are responsible for the higher price of bread, according to the United States Department of Agriculture.

A USDA bulletin, "Marketing Margins for White Bread," points out that bread prices have increased 39 per cent in the past 10 years. The study disclosed that the cost of bread ingredients has remained fairly constant during the past decade. The cost of wheat to the miller in 1948 averaged 2.8 cents per pound loaf of bread, and the same in 1958. The cost of flour to the baker rose from 3.5 cents in 1948 to 3.6 cents last year.

The survey shows that the farmer's share of the consumer bread dollar for all agricultural products used in bread has declined from 24 per cent in 1948 to 16 per cent last year. "The increase in bread prices resulted from the higher costs of labor, transportation and other non-ingredient expenses," the

bulletin stated. "Hourly earnings in bread-baking and similar establishments are 33 per cent more than they were 10 years ago. Fringe benefits have increased ninefold."

The baker received 16.2 cents for a pound loaf of bread last year, as an average. The retail margin, according to USDA, was 3.1 cents. The baker retained nine-tenths of a cent as a profit before taxes, less than one half cent per loaf after taxes.

A separate study made by the Department's Agricultural Marketing Service showed that the profits of six leading baking companies have declined 42 per cent on the basis of sales during the 10 year period. Profits decreased from 4 per cent of sales in 1948 to 2.3% last year.

The report stated that "Even if the farmer had donated his wheat, white bread would still have cost consumers about 17 cents per loaf (retail) in 1958."

### Grass Valley

By Mrs. A. F. Balzer

Mrs. A. F. Balzer returned home Tuesday afternoon from Portland and reports that she is feeling much better after treatment for a lame hip at St. Vincent's hospital.

Mrs. Clara Rolfe and daughter Mrs. Frances Mathews were in The Dalles Tuesday and Mrs. Mathews has a new bright red car.

Harvesting is getting a good start around Grass Valley and returns are reported to be good.

Mr. and Mrs. Frank von Borstel attended the American Legion and Auxiliary state convention held July 22-25 in Salem and were elected delegates to the national convention which will be held in Minneapolis in August. They also attended the funeral of ex-governor Douglas McKay held in Salem Saturday.

Colonel Everett May and son of Carmel, Calif., were dinner guests at the home of his brother Wallace and Mrs. May of Grass Valley recently. Colonel May was one of the pall bearers at the funeral of Douglas McKay.

Frank von Borstel Jr. of Roseburg accompanied by Dr. W. Miller and Wayne Schultz also of Roseburg flew up Sunday morning to visit his parents and to attend the picnic held in honor of his cousin, Mrs. C. J. Kulick and family of Springfield, Illinois. The picnic was held at the home of Mr. and Mrs. Donald von Borstel of Grass Valley. Around 85 relatives and friends were present.

Mrs. C. J. Kulick of Springfield, Ill., was guest of honor at a bridge party held at the home of Mrs. Kenneth Hatrup of Grass Valley Monday afternoon. Others present were Mrs. Gene Reynolds, Mrs. George von Borstel, Mrs. Arzell Lemley, Mrs. Frank von Borstel, Mrs. Alfred Kock, Mrs. Donald von Borstel of Grass Valley and Mrs. Theo von Borstel of The Dalles.

#### CARD OF THANKS

Thanks to my friends and relatives for flowers, gifts, cards and letters during my stay in St. Vincent's hospital. They were much appreciated.

### Portland Harbor builds now for the Columbia Basin's future...

New vistas are opening in the economic development of the Columbia Basin as construction begins on Portland Public Docks' new bulk cargo unloader at Terminal No. 4. This high-speed unloader, coupled with the bulk cargo out-loading facility already in operation at the same terminal, will provide the only integrated bulk handling installation of its kind on the Pacific Coast—making possible substantial savings in import-export transportation costs of ore, ore concentrates and other bulk commodities. This can mean new industry—for the Columbia Basin.

Portland Public Docks' new bulk cargo unloader represents an investment of \$3,600,000—a significant investment in the economic future of all of us who live and work here in the great Columbia Basin.
