Mr. and Mrs. Carroll Harlow spent the weekend with Mr. and Mrs. Roy Belshee on their return to Eugene, from their summer in Alaska.

Mr. and Mrs. Giles French were in Portland Friday night where he appeared on Tom McCall's gab and gage program, Viewpoint, shown Sunday afternoon.

Mr. and Mrs. Samuel Pinkerton of Redondo Beach, Calif., were guests at the Harry Pinkerton home Thursday, Aug. 13. Sam Pinkerton is a cousin of the late R. W. Pinkerton. In 1901 he was the driver of the 32 horse harvesting outfit of George Straghn near

DeMoss Springs. A picture of his outfit has hung on the walls of the county court house for many years. It was Sam Pinkerton and Harry Lamphaer who hauled the lumber from Kluckitlat to build the big red barn on the Lamphaer place just south of Eugene Amidon's. This spring, Mr. Amidon tore that barn down and his son Bud hauled the lumber back to Goldendale to construct a building on his farm there.

Mr. and Mrs. Carrel Bennett and son, David, were here the first of the week while on the final end of their vacation from a bank at Lebanon. They visited her mother, Mrs. Havie Brisbane and other relatives.

Mr. and Mrs. Collis Moore were in Pendleton last Saturday to witness the swearing in of new federal judge, John Kilkenny, by federal judge, James Alger Fee, of the San Francisco bench. Kilkenny will move to Portland as one of the federal judges for Oregon. Mrs. Clara Houston has returned

from a vacation trip to Canada, going first to New Westminster and to Chilliwack and later to Edmonton and farther north to visit relatives.

The Arlington and Condon 4-H

saddle clubs went through town Monday with truck loads of horses. They were going to make a three day ride along the skyline trail as part of their project. Parents accompanied the youngsters.

Mrs. Wendell Buisiger left Sunday by plane for Honolulu where she will meet her son, Edwin, when he gets off his ship the 22nd after a long trip to Japanese and Chinese waters. She will also see her grandchild.

Mr. and Mrs. Warren Gee left this week for their home in San Francisco after spending ten days here visiting her parents, Mr. and Mrs. Howard Ross. He expects to start the practice of dentistry September first.

Some lost shovels at the DeMoss fire a few weeks ago and probably some one has them. If those with extra shovels will leave them at the DeMoss ranch Curly will redistribute them.

James L. Weathers, boilerman fireman, USN, son of Basil L. Eathers of Rufus, serving aboard the destroyer USS Shelton, returned to Long Beach, Calif., August 14, after a six-month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

Mrs. Mollie McLachlan was

here this week from her home in Portland and reports that about 60 Sherman countians met at the annual picnic in Laurelhurst park August 9, ate, visited and elected J. B. Adams, president, and Mrs. Lottie Lee Pieper, secretary.

Dale Christiansen, SHS coach, says there will be a practice of the football team Monday, August 24, at 9 a. m. at the school. Freshmen who aspire to the team should be on hand.

From where I sit... by Joe Marsh
A Real "Novel" Idea
Had a call from Whitey Fisher, head of the Town Library's Emergency Committee. He's asked me to explain the situation.
This is the "emergency." The Library's moving into its new building next week—over on Bridge Street. Moving all those books will cost more than \$200. At that rate we won't be able to afford any new books for a couple of years.
Whitey's got the solution—have everyone in town borrow at least five books, keep them a week, and return them to the new address!
From where I sit, cooperation among neighbors is the lifeblood of a town. People should work together... whether it's to help a library or fight intolerance. For instance, if you'll respect my right to an occasional glass of beer—and I respect the beverage of your choice... that kind of cooperation will do lots to help wipe intolerance "off the books."

about
GOLDEN HARVEST FERTILIZERS FROM PACIFIC
Just about anything you need in fertilizers—liquid or dry—can be found at your local PACIFIC Cooperative. You'll never find more effective or more economical fertilizer than GOLDEN HARVEST.
But, good fertilizers do not guarantee high yields. One other essential ingredient is needed for sure crop success and that's...
fertilizer "know-how"
Our fertilizer experts in your own area can tell you what rate to use, what time of year to apply, at what depth to inject, how to find the fertility levels of your fields and how to get the greatest production per dollar of cost.
Underfertilizing robs you of profits. Overfertilizing is wasteful and costly. Contact "fertilizer headquarters" right now and be sure of a GOLDEN HARVEST. We'll do the job for you or you can rent one of our light draft applicators—either way fertilizer "know-how" is an important part of our complete service.
