STOP FREEZING

here's heat you can take anywhere
A Knipco portable heater keeps you warm indoors or out... just pick it up and take it with you, plug in any 115 v. AC outlet and flip the switch. Circulating warm air pours out instantly.

The Knipco "Super-75" weighs only 45 pounds; runs 9 to 14 hours on a tankful of kerosene or No. 1 fuel oil; puts out as much heat as a furnace in a 5 room house for only 8c an hour.

Use it to preheat engines, thaw pumps, "spot heat" outside areas, circulate warm air indoors. Stop by and let us show you one in action. Larger sizes also available.
